Chapter 1 - Killing a friend

2

1 - Killing a friend

Going to bed,
But you can't sleep
For the soul within you cries and weeps.

Remembering those days
When you and your friends
Were happy, except that one friend.

Never again will she see the light of day
Or the darkness of night.
Never again will she be happy,
For she will haunt you for the rest of your life

Going to bed,
But you can't sleep
Thinking that it's almost over
But knowing you'll be up forever...

You see her, everywhere you look
Everywhere you turn
She's there, looking the way she did when someone killed her...

But that person...

It, it was you...
