Chapter 1: Reunion A blond haired 16 year old boy walked down the long marble halls of the castle his head phones over his ears as he listened to a simple and clean. "Sora!" yelled a white feathered magic user duck as he ran down the hall. "What's wrong Donald?" Sora asked. "Just follow me!" Donald yelled as he grabbed Sora's hand. On the other side of Disney Castle A crimson haired 16 years old girl sat in the flower garden reading her favorite book. "Kairi!" Yelled the black dog knight running to her. "Oh hi, Goofy what's up?" she asked as she put the book down. "We found someone that you might like!" goofy yelled. "Really who?" Kairi asked. "Just come on!" He said together they ran down the hall. Near the Door "Right here" Goofy said as the stopped at a big wooden door. "Why did you lead me here?" Kairi asked. "Now we have to what for Sora" Goofy said. Soon Sora and Donald came running around the corer. "Sora hey" Kairi yelled. "Hey Kairi, what's up?" Sora asked brushing some of his spiky hair out of the way. "I'm glade to see you here" said a black mouse king as he walked up to them a golden key blade in one hand. "Hey Mickey what is this all about?" Sora asked. "You'll see" Mickey smiled as he walked up to the door. He unlocked the door and than turned to the teens. "Now make sure you don't let any light come in here" he said warningly. The door gave a small creak as it opened reveling a dark room. "Why are here?" Asked Sora turning to him. There was a loud bang in which Sora was flung back words. "Stop!" Mickey yelled grabbing the door knob. There was a scream of pain as Mickey opened the door and the light fell on a girl with long platinum hair down to her elbows and had a thin blind fold on over her eyes. When the light hit her eyes she tried to hide in the shadows. "Now stop it" Mickey yelled at the cowering girl. "Samantha! It's you!" Sora cried getting up. "Sam it's us Sora and Kairi" Sora said. In one quick moment she fell to the floor. "Sam!" Sora said running forward to catch his afraid little sister. "Sam! Wake up!" Sora said shacking her."Sora look how skinny she is" Mickey said. He looked down to see she is really skinny. "Lay her on the bed" Mickey said as Sora picked her up. He placed her on the bed and she rolled over. He walked out of the room sadly with Kairi by his side. "Are you all right Sora?" she asked. "Yea" Sora said as he went to his room.*There was no happy smile on her face* he thought sadly. *She looked like she was out to kill me*

*****Samantha913: It's not much but to clear some thing up I'm Sora's sister I spent two years in "Kingdom Hearts" with Riku but got separated and the light is my enemy. Enjoy the next chapter Sorry a bought the spelling I can't spell worth beans (LOL) Next chapter: Sam's Point Of View

2 - Sam's P.O.V.

Chapter 2: Sam's Point of View After Riku and I got out of that horrible place we went north to try and kill some 16 year old boy named Sora for this guy named Ansem. But for some reason I feel like it's not right to do this, I mean I sold my heart to darkness in order to survive but for some strange feeling I feel like I know who Sora is but how? We walked along Traverse Town where people go when they had lost their home. People yell in fright when they see the sight of us. It's not every day you see two people wearing dark heavy cloaks on a hot summer night nor wearing black blind folds over their eyes but mostly it's probably the heartless that follow us everywhere. From her side she heard the taller man at an age of 17 let out a rough laugh. "What's funny?" I ask him. "People" he plainly said looking down at her. I'm a 12 year old girl that has platinum hair and used to have soft blue eyes but not any more. Riku and I used to live somewhere warm but I don't remember. I stopped walking and looked up at the dark sky in due time the heartless would find the core of this world and destroy this pathetic world. "What are you stopping for?" Riku asked his back still to me. "This world has no core, at least not from what the heartless can find" I said crouching down to a heartless to talk to it. Not many people can understand the heartless talk it's merely a scratching noise, but we can understand them, the children of the night. "Let's find a hotel to stay in the morning" he said doing his famous back glance. I know it's usually for the night but since we're children of the night the sun is our enemy so we go into shelter in the morning. But without warning the town shook. "They found the core" I said without fright. "It seems so" Riku said. But before we could grab hands to make sure we wouldn't be split up we were tossed in separate directions. When I woke up a black mouse was looking over me but then light came through the trees shining in my eyes and I screamed in pain leaving the mouse clueless. He called for his servants to bring a stretcher. Once they brought me into the castle they put me in a cool dark room with no light shining through the windows. Here I sat on the bed wondering where I am when I hear the door unlock. "Why are we here?" asked a voice. *That voice! It belongs to Sora* she thought she summoned her key blade and stuck him. He fell into the wall. "Stop!" Yelled another voice then light appeared and I went back to trying to find a dark place. "Now stop it" yelled the same voice. "Samantha it's you!" Sora yelled as I heard him get up. Sora must have heard me hit my key blade on the bed because he said. "Sam! It's us Sora and Kairi" he yelled but since I had no food for who knows how long I had passed out and that's how I ended up here. Samantha913: Ah I'll try to make them longer

Next chapter 3: Sora's point of view

3 - Riku appears

Chapter 3: Riku appears After a night Sora went back to check on Sam to find her peeking out of the door. "What are you doing?" Sora asked her as he walked closer. She opened the door and tried to attack Sora. Blood splashed the pure white marble floor as the key blade stuck his arm leaving a deep gash. "Sam stop it it's me your brother" Sora yelled. "I have no brother" Sam yelled turning around. "Yes you do! I'm your brother!" Sora yelled clenching his arm. "Sam what are you doing?" came a cold voice. "Riku, this is Sora! He's the one that Ansem wanted us to kill!" Sam said flatly. "I see" he said. "Proceed" Riku said knelling against a tree to watch them. "Looks like you will die here and now" Sam said glaring at Sora. "Don't lesson to Ansem! Don't you remember what he did to you?" Sora said as he also drawled out his key blade incase she attack again. "Wait what did Ansem do to me?" she asked. She started to sway and she fell over. Sora was about to run to her before she grabbed the wall. "Stay where you are and tell me what he did!" she yelled. "He took you away and used you just like he is now" Sora yelled. "Don't lesson to him! He's lying" Riku said walking over to them. "Do you even know where you lived?" Sora asked. "No all we know is we lived somewhere warm and that's all" Sam yelled. "You use to live on Destiny Island with me Kairi, Wakka, Tidus, and Selphie" Sora yelled. "SHUT UP" Sam yelled and thrown her key blade at him in the head making his head bleed. "Let's go our work here is done" Riku said coldly as he walked away. "Ha good bye pathetic wanna be" She said as she kicked him than she walked into the night. "Sora? What's all the noise?" Kairi asked yawning she stopped dead as she seen Sora's mangled body. "Sora! Can you hear me?" Kairi yelled. "Kairi? what's all the yelling for?" Donald asked. He had seen Sora. "Curaga!" He yelled. Transverse Town 2 "He's not dead" Riku told Sam. "I beat him enough times to put in a critical condition that he may not pull through" Sam said harshly. "Are they the one?" asked a brown haired 16 year old teen ninja with blue eyes. "Yes that's Sam" Said the older boy at the age of 25. "Are you asleep?" asked the 16 year old."Get away from me Yuffie" Said a 22 year old with yellow hair and blue eyes. "Jesh I was just checking if you had fallen asleep cloud" Yuffie said. "You now him" the 25 year old said. "You're as calm as he is Squall" Yuffie laughed "It's Leon!" Leon said. They looked back at Sam and Riku who were still walking. "When do we attack them?" Yuffie asked. "Soon" Leon answered. "Remember we are not to kill them we just want to knock them out" Leon said looking at Cloud. "Do you here me? We are not to kill them" he said again "Yes" Cloud said with his eyes closed. They jumped from the rough to confront them. "Ah didn't we beat you enough back there?" Riku sneered. "The only reason you won is because you had darkness on your side!" Yuffie yelled. "The darkness is stronger than light" Sam laughed. "Sam" Yuffie said sadly. "Let's go!" Leon yelled. After an hour they finally knocked them both out even though Riku was stronger. "How's Yuffie?" Leon asked. "She had worn herself out" Cloud said when he came up to them with Yuffie hung over his shoulder. "We better get them to a hotel" Leon said.

That was a strange chapter there are two Traverse towns if you are wondering

4 - Will she return?

Chapter 4: WILL SHE RETURN? Sam's P.O.V. I swam in a sea of darkness trying to find the voices that called to me. "Hurry up Sam!" yelled one of them. I know this voice but from where? "Wait up I can't run that fast" cried another voice. That was mine voice but it seemed so carefree. "What? Are you giving up?" asked a yet another voice. This voice belonged to Riku. I was engulfed by light. "Come on wait up" the younger me cried. This time I had short platinum hair that just barley left my neck as I ran. "Hurry up!" cried a boy that looked like Sora. End P.O.V. Out side of Sam's dreams "There that's it I fed them the potion hopefully it works" said a 42 year old with yellow hair and blue eyes. Riku's P.O.V. I swam in darkness trying to find the way out; the last thing I remembered was grabbing Sam's hand to protect her from Yuffie's attacks than getting caught in the attack myself. "Riku! Give me my hat!" *I recognize that voice it's Sam's but when did it sound so carefree?* I asked myself. "Give me back my shirt than!" that's mine. I was consumed by light. End P.O.V. Riku sat up sweat going down his face. "Oh hi Riku" Yuffie said when she seen him. "Do you remember who I am?" Yuffie asked. "A pest?" Riku asked. "Just kidding Your Yuffie" Riku said. "You Remember!" Yuffie yelled. "Yuffie you have to be quit and let them sleep" Leon said walking in. "Hey Leon" Riku said "oh good my potion worked" Cid said. There was a scream coming in from the next room. "Sam's awake" Cloud sighed rubbing his head. "How did that happen Cloudy?" Yuffie asked. "I was trying to heal that wound you gave her on her arm when she awoke" Cloud said. "Hey Sam" Riku said as he walked in the room. "Hey guys sorry about the hit Cloud but that stuff really hurts" Sam said. At Disney Castle "Sora? Can you hear me please snap out of it" Sam cried at the bed side of her brother. His hand move quickly and hit her on the head. "What was that for?" she yelled. "For worrying about me" Sora said now regretting he moved that arm. "Kairi told me what I did to you and I'm sorry" Sam said as a tear fell down her face. "Ha don't worry" Sora said. After they got better Sora had trained her even more. Samantha913_ I didn't know how to end it oh well
