PLz Enjoy the story ^^ By me: Saphierwolf ^^Like a song sung by the angels them selves, each word like time its self. Each word was a voice of sixs girls.All the girls were angels. Each angel had a certain power. The angel of Darkness controls the night and allthings dark. The sad angel cared for all those were hurt or wounded. The caring angel, was the one to keep the peace among the angels around her. The angel of compassion, took care of all creators on earth. The innocent angel, was the one to balance Heaven and Hell, Light and Dark. Finally there isthe angel of love, she is the one with a heart of gold. Our story takes place in the heavens were two angels battle it out for control of Earth!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
