"Okay with you're two hosts."

"Okav^-^"

"Sapphire_Angels_Devil and her little pest brother Green_Metalic_Devil."

"What I'myou're little pest brother. You have two more who are pestierthan I am. And this was my idea my, my, my."

"Okay O.o you need to cut down on the sugar."

"Yeah, yeah just get started already."

"Okav ^-^"

Disclaimer: I don't own anything in this fan fiction, except for my brother, myself and my OC's.

"Hey you don't own me."

"That's only what you think."

"Huh?"

"Nothing."

"First the rules."

Saph clears herthroat before she begins to say the first rule "Number 1. All the famous Beyblader's in season 1 and 2 (except the Dark Bladers lalways forgets their names) gets trapped in a tiny room." Hint, hint.

Kai standsin a corner observing before he starts to talk "Not me."

But I am not that easy to convince so I say "Especiallyyou."

"Hn"

Green Devilinterrupts with the second rule.

"Number 2. You are not allowed to undress someoneells."

And all the readers went "Awww."

"Hey my story isn't rated R so it's kid friendly."

"And I made up this rule just for you Kevin-"

"Hey, G.M.D I'm not perverted."

"That's not true."

"Yes it is."

"No it isn't"

"Yes it is."

BANG

"Um Saph."

"Yeah?"

"You are notsupposed to kill them already!"

TheBeyblade characters that had not been knocked out (witch is every one exceptfor Kevin) goes O.OU.

"But Iwanted to and this is my fan fiction I just invited you to be nice. And by theway I'm starting to get mad."

O.O "Calmdown, breath, count to one backwards from ten."

Ray runs away screaming "Run or you will face the devil!"

And in agreen smoke screen puff, Green_Metalic_Devil is gone, for a while.

"Muchbetter I got rid of my stupid brother."

Tyson stops to cover himself and looks around. "We are still alive it's amiracle!"

"Grrr"

"Eeepp"

"Number 3.If you say Yeah whatever you are thrown into acrocodile pit."

"And they are hungry."

"Hey when did you come back? You just leaved. And you were not even gone evenfive minuets."

"I just got away to get the fire extinguisher."

"I am NOT even going to ask why."

But stupid as Tyson is he asks. "Why?"

Witch made me (Saph) to glare at him.

"Because (G.M.D say's with a big grin) I wanted tosee what would happen when someone from hell is frozen to ice."

"I told you I didn't wanna know."

"Chill down sis."

Saph gives her brother a death glare.

"Okay, (hehas retreated from my death glare) Number 4. You can't bring your bit beastwith you and just because it is their vacation, we are going to send them to aspa."

All the Bitbeasts looks at each other before theystarts to scream. "Yay finally paid vacation!"

All the bitbeasts leave their blades and only dragon stays a little longer just to. Showhis tong.

Beybladersscream after them "Traitors!!!"

"See you guys when you get out" Dranzer says.

"If they get out."

"Hey Dizzi that wasn't nice."

"And Kenny we are going to send Dizzi to acomputer camp."

"Oh goodie."

All the bladers me and my brother cover our ears before we scream the words weso badly wants to say "Shut up!" And then someone drops a piano on his headwitch made him quiet for a while.

I amclapping my hands "Okay Number 5. There is no food in there."

Tyson & Gary screams really loud.

"Okay ^.^U. And no sugar."

"But."

Max, Tyson & Gary starts to listen.

"You aregoing to get one portion food everyday and all the water you can drink."

Witch gave the reaction that all said sarcastically "Yay."

"No food."Tyson sobs

"No food or Galazy" Gary mutters

"My SUGAR "sob". I need it to get sugar high." Max almost cries there wordsout.

"You guys starts to freak me out. Take the next one G.M.D"

"Number 6. You can not under any circumstances throw someone ells out of the room, if wedon't say so."

And allsays "Fun "-"."

I smile a cold hearted smile "I thought so. Number 7. When we scream rabid feast all most hug Kai and ifhe isn't there you most hug the person on you're right side."

"Why me?"

"Because you are cute."

"Sis you're sick and demented he is not cute. Mariah is."

"Okay that was more than I wanted to know."

"Number 8.And everyday one character is in charge and everyone most obey him or her. Andit is the person who get's thrown out who decides whothe leader's going to be."

But when he has explained that all he hears from the bladers are; Zzzzz...

And I whisper "But the leader most watch 3 hour's with Teletubbiesand other child things."

G.M.Dcomes with a big gong gong when Saphhas told everything.

"Let me."

"We can do it both." GD gives Saphanother hammer.

DONG DONG DONG

"Rise andshine." I scream and enjoy watching the bladers painful wakening.

Ray stands up holding his hands on his ears "Ah stop."

"Okay."

My brother walks away with the gongong but ads "Itwas your own fault anyway you didn't have to fall asleep."

"My turnagain" I smile but reads the rules "Number 9. And you're every movement isbeing captured by our secret spy cameras and broadcasted all around the world. And we own all the right's off everything we tapes and can blackmail you allwith it."

0.0

"Great rule sis."

"Thank you it just came to me."

"Number 10."

"The last one."

"Number 10. And in the end there most be one out of every team left before we start..."

But Mariam just has to ask "Start what?"

I just look at her and says "You'll see."

"And hereis the fun part." My dear says and a glimpse can be seen in his eyes.

Punishment

"And if youdon't follow me and my brother's rules you can choose between to either meetour pet Mr. Fluffy Mc Fluff or to meet our little brother The Nightmare."

Lee asks the forbidden question "And who are they?"

"Okkie, you asked for it. Mr.Fluffy Mc Fluff."

And incomes, dum, dum, dum.

All screams"IT'S A HELLHOUND!"

"Okay but who is The Nightmare." Still Lee is asking questions he doesn't wantto hear the answer to.

"Okay youasked for it. The Nightmare!"

And in comes a 13 year old boy.

"Hiiiiiiiiii."

All does the anime fall.

"That doesn't seem to be so bad." Johnny says and looks at my youngest brother.

"Okay" I say and snap my fingers and a human seized doll appear. "Go for itNightmare."

The boy runs to the boy a starts to hug it to death.

All: O.O

Kenny says and looks confused "I didn't thought you could hug a doll to death."

"My little brother can." I say and shrugs, and my brother ads.

"And we have to deal with him everyday."

Saph "nod, nod"

Me: Okaythat's all for this. Remember to tune in on chapter 2 and also remember to R&R and vote,

Bye. Sapphire Angels Devil

2 - Behind The Scenes 1

Hello andwelcome back to Beyblade In A Tiny Room, this chapter is going to be a behindthe scenes and since my brother has left me alone "don't know if I should do avictory dance or get mad at him" I am going to introduce my OC'sand you can read more about them in my story A New Authoress And Pranks in chappie 2 & 3.

But now letthe fun begin.

Beyblade In A TinyRoom Behind the scenes Chapter 1

"I am herein the control room, and today I am going to show you some of the many funny thingsI have here. Today it's there second day in the house and they are all stillasleep, and lucky for us the victim I have in mind is also sleeping and at the right place to." I say this and points at a big TV screen were we can see Kaisleeping while he is leaning against the wall. I get a very evil grin. "Okay if I would let's say pull this handlewhat would happen. Well let's check it out."

I gentlypull the handle and slowly the wall Kai is leaning against is moving.

"Littlemore, just little more and then..."

I didn'thave time to finish the sentence before, Kai falls on his nose because he gotpushed from behind and there lying on the floor is the Russian boy, whit a veryconfused look on his face. And since he didn't want to wake the other up to tellthem he was pushed by the wall he goes to another wall and fells to sleepagain.

"That wasfunny but now I think we should get to faze 2 on my introduction. Sinja iseverything set for the grand final."

Sinja comes in from a corner in the control room and starts to speak. "Yes itis and we have the suit ready for you."

"Good, but who is the victim?"

"The computers have chosen Mariah." Kat says standing in a typical Kai pose.

"Okay, help me on with the suit."

"Good ideaSapphire Angels Devil got." Dranzer says while shelooks at the TV.

Dragoon wags his tail and answered Dranzer. "Yeah andit was nice to send us to this spa with a giant TV so we could watch the show."

"Ssscchhh, she has the suit on, and I want to hearwhat she is going to do." Drigger said and looks atthe TV.

"Nowfinally I got this protection suit on and it looks almost like the kind you are diving in." I say and takes a step forward. "It's asmall step for me but it is a big step for the comic industry"

"At leastyou won't feel the smell." Sinja says and walks around me to see that therearen't any leaks in the suit.

"I really hope I wont, if I do then I would defiantly die."

I walk to the secret entrance and open the door. I am opening the door gently so theywon't hear me and then tiptoeing over the floor to the spot were Tyson issleeping.

"Ew this is gross but a girl's gotta do wath a girl's gotta do."

I am takingoff Tyson's very sweaty and very disgusting sock then I walk to Mariah and laysit five cm. (A/N If you don't know what five cm. is then think One inch) fromher face and then as fast as Tyson can eat a pie I am out of there.

(Script I know but I can't change this bitplease don't report me)

Me. Ready to count down.

Sinja: Five Kat: Four Tiilia: Three Me: Two

Lady_chaos: One

Me: How did you come in here? Lady_chaos: You invited me.

Me: Oh yeah.

The wehear Mariah scream in a high pitch girly voice.

Then shefinds the sock and since Tyson's name was on it, well it was obvious.

"What?" Tyson asks while he covers his ears.

He doesn'thave more time to ask before Mariah has hit him on the head with a giant hammerl left there from the first episode.

"And thatwas 2-0 to us stay tuned for more madness."

Bye for nowand read my other stories if you want to BYE! Sapphire Angels Devil.

All theother Bit beasts are backing away from Dragoon and his weird announcement.

Finally in the control room.

"Huh, huh what a rush. I am tired." Saph says panting.

"You knowyou had not been so tired if you had taken the short cut." Sinja says lookingat Saph who is currently on the floor.

"Short cutwhat short cut?"

Sinjapoints at the left off them and revels the exact place they had been standingin before they ran away to find the control room.

- "Oh, thatshort cut."
- "What! Therewas a short cut and no one told me about it." Tsunami-chaos says looking upsetto.
- "Hi guys, why are you so tired?" Ghosts says walking at us
- "Don't tellme you know about the short cut and did not tell me about it."
- "Okay Iwon't."

Me & T-c glares madly at Sinja and Ghost.

"Why areyou so mad? I found it just before I found Tsunami-chaos wandering around inthe building."

"Look."

"What?" Saph says before she looks angrily at her OC.

"Don't youwant to se the clip on who did walk out of the house thinking it was safe to doso?"

"Of coursewe want to roll the clip."

The clip isshowing.

"Hey whotook my popcorn?"

"Sssssccccccchhhhhhhh."

"I can't handlethis anymore this is so unworthy." Robert says walking back and forth in theroom.

"Relax, there is nothing you can do about it." Enrique saystrying to calm him down a bit, and keep him from telling boring stories.

"I think Ican do something about it" looks at theopen window.

"Saph why did you leave an open window in aclosed room?"T-c asks rather confused.

"You'll se."

"I wouldnot do that if I were you."

But did helisten to Oliver, no of course not. So he just walks away to the window andjumps out. But little did he know that it was not safe, to do so.

"Why shouldI not walk out it is perfectly

"Good hefound my bottom lose hole."

"What youhave a bottom lose hole and what did you fill it with pirayafishes?" Ghost says looking at Saph with a cookedeyebrow.

"Hi andwelcome back to another chapter of Beyblade In A TinyRoom in the behind the scenes. I am still Sapphire Angels Devil and I will beguiding you all thru a part of all we have here in the control room."

"Is that sogood I mean last time you were on your own in here you got lost and ran thewrong way and if it weren't for the nice yeti you would still be lost trying toshow Tsunami-chaos were the control room was." Kat says looking at Saph.

- "And yourpoint is?" (Standing in a Kai pose, if you want to know)
- "She justmeans that maybe we could handle this today." Sinja says trying to calm downthe angry author.
- "Fine dowhat you want I think I am going to go fish instead of listening to you." Saph says in an angry bitter tone and then disappears insome sapphire and silver smoke.
- "Hey whatis going on?" Tiilia says bouncing into the room.
- "I think Ijust made Saph upset."
- "You thinkSinja and what do you think she meant with that she should go fishing insteadthere isn't any water the nearest miles around?
- "You don'tthink she?"
- "I suredon't hope so."
- "What?" Tiilia says looking at the two older OC'swith puppy eyes.
- "Don't haveany time to explain. Sinja grabs Tiilia and starts to run with Kat behind her.

.....

Sinja: "Finally, there you are." Sinja says when she sees Saphwalking towards the house with a rod and some kind of tank filled with perfumethat smells like roast beef.

Tiilia: "What you doing, what you doing?" Tiilia says jumpingaround the room.

- "What doesit look like? I am going fishing."
- "But youcan't fish in the house." Kat says to her creator.
- "I can andI will you'll see."
- "I thinkshe finally have lost it."
- "Lostwhat?" Tiilia asks Sinja with a confused look and Katanswers the question.
- "Her brain, but I don't think she had one to start with."

[&]quot;What isshe going to do now?"

[&]quot;Don'tknow." Draciel answers Dranzerand then they turn around when a third voice that belongs to Dragoon can beheard.

[&]quot;NNNNOOOOOOOO!!!!!!!"

- "I heardyou and you are going to see what I mean just go to the control room and openthe secret door in the celling."
- "Okay Saph but I still think you are losing it."

In thecontrol room

"What doyou think Kat? Should I do it?"

"Hi."

Kat &Sinja O.O (Not Tiilia sheis busy laughing at Kat & Sinja)

"Are youstill here?" Kat asks Tsunami-chaos.

"Yeah Saph promised me that she was going to take me home againbut she never shoved up."

"Hey isthat Tsunami-chaos?"

Sinja: "Yesit is." Sinja answers Saph that can be seen on amonitor.

"Good bringher to me she can help me with the big ones."

"What isshe doing?" T-c asks looking confused at the three OC'sin front of her.

Tiilia Is jumping up and down while she answers theguestion "Fishing!"

"On the roof." Sinja nods. "Sounds fun I want to fish to."

"Is everyauthor around here insane?" Kat asks while she does a hand motion that say, howstupid can someone be? Or something like that.

"We are notinsane, at least not yet, we have only discovered something you haven't.

"Like what?

"You'llsee.

"I amcoming don't start without me Saph."

"Okay Iwon't."

"Whose ideawas it to let Dragon in again?" Galux says and follows it up by a hiss.

"Don'tblame me I wanted to drop him in a volcano." Dranzersays to Galux and then looks at Dragoon when heenters the room with snacks enough to feed an entire army.

"Hey girlswhat are you talking about."

Dranzer& Galux answers in the same tone and at the sametime "Nothing special, just crap." (A/N Take that line as you want, it works inevery way).

Back onthe roof

"Did youbring the bait?"

"Of coursel did Saph. What did you think? That I could not findthe 100000 foot tall and 50000 foot long sign saying HERE IS THE BAIT!!!"

"Maybe itwas kind of small."

""

"Now unpackhim."

"Sure."

Tsunami-chaosand Saph opens the bag just to revile a tied up greenhaired boy called Kevin.

- "Good nowwe just have to dip him in the roast beef perfume and then we can fish."
- "I wasright they are insane." Kat says looking at the two girls on the roof.
- "Fun I wantto help them." Tiilia says while she smiles and actslike she is very sugarhigh witch leaves Kat with this comment. "..."

The secretdoor on the roof is opening slowly and meanwhile Saphis tying the green haired boy to a rod and slowly let him swing thru the roomso her "fishes" can smell the bait.

"Now all wehave to do is waiting for them to bite." Saph sayswith a smirk.

In theroom

All thebladers are asleep but when two special bladers feel the smell the sleepilyattacks their victim.

- "Help mehold the rod! I got them T-c!"
- "I'mholding I'm holding!"

Saph and T-c holds the rod and drags their "fishes" up so they are a bit above ground, and thinking of how big Gary is and how much Tyson most weight since he eat somuch, we are really strong.

- "That's enough let him go." Sinja says walking at the room that is very isolated, actually located in a dessert somewhere in the world so if they could escapethey would not live for long.
- "Okay butyou are so not fun." They let go of the rod with a heavy sigh. "Why did youhave to be so mean we just had them on the hook."
- "Becauseyou cant do that to Kevin." Kat says with her arms crossed over her chest.
- "Why?" T-casks when they walk into the control room and then I follow her example.
- "Yeah why?"
- "Look,look." Tiilia say while she points at a screen.
- "What? Oh, hihihhi hahahahhahahahah."
- "Saph when did you fed them last time?" Kat says looking atthe screen with a disgusted expression.
- "I thoughtyou guys feed them. Oh, okay I am going to take care of it."

In thetiny room where they now have a barbeque

- "Hey youguys you cant eat him."
- "Why?"Tyson asks with his forks ready.
- "Gary is hungry." All the others sweatdrop
- "Umh yeah but I don't think he tastes so good and besides" Saph does a motion with her hand "the food over theretastes better."
- Gary & Tyson screams (cover your ears) "FOOD!!!"
- "Yeah wellthat was all we had for today join us next time in this really creepy andinsane ficcy." Saph sayswhile she comes down from the roof using a latter, with T-c waiting on the ground.
- "What doyou mean with creepy?"
- "Theyalmost eat Kevin."
- "That iscreepy."
- "Yeah Ithought so. BYE!!!" Saph waves her hand.

"Hum Iwonder how roasted Kevin tastes like?" Dragoon sayswhile he licks his lips with his long tongue.

"That's ityou are going out again." Dranzer says lookingserious.

"No it'sraining."

"We don't care you are going out, help me Gallzy... Gallzy" Galux says looking after Gallazy and when she finds him...

"Yumroasted Kevin." Was that what he said.

All the Bitbeasts except for Dragon Sweat drop at that comment.

"Yeah wholet him in?" Dranzer says and starts to avoid Dragoonmore than she already did"

"I canunderstand that. You are after all a living walking and, at least I think so, thinkinggarbage can." Draciel says looking at his friend.

"Yup, hey!"

"That is sotrue, and hey Robert is gone." Griffoleon says shining up, witch is reallyweird on him.

"Didn't heend up in the hospital?" Dranzer says looking interested at Griffoleon.

"Yes he didlook, I have pictures."

"No mypictures!"

"Um got togo, aaahhhhhhhhhh!!!!"

"Do youhave all the costumes Sinja?"

"Yes I haveSaph."

Me: "Okayhelp me put them outside the door."

And withthat said Sinja and I put the huge box outside the secret door and walks away. And when we are in the control room Sinja pulls a switch and the door opens, the bladers notice this and is trying to run out but who said the floor wassafe? So I just pull another switch and tips all the boxes on them and closesthe door before they can get out.

"NO and it wasso close." Tyson screams from somewhere on the top of the human and box pile.

"Get off menow!" Mariah screams from under Tyson's butt and with a really red face shealso gritting her teeth's and hisses like an angry cat.

"That isnot how you are supposed to talk to the world champion in Beyblade."

"You doknow that we in your team are also champions it is not like you are the onlyone Tyson." Kenny says standing a bit away.

"Awwww,but Chief."

[&]quot;That wasweird." Unicorlium say looking at the screen.

[&]quot;Hey Iwanted to eat it!" Dragoon says looking disappointed at the screen with salivadripping from his mouth.

"I said getoff me now!!!"

And when she screamed that, (I got to get to a doctor for this my hearing isstarting to disappear,) she punches Tyson and the rest off the people in theroom looks at the flying world champ/junk eating/annoying and don't forgetstupid boy fly.

"Mariahcalm down." Kevin says trying to calm his team mate down when she runs aroundtrying to hit Tyson with a large bat since he is stuck in some wires on theroof and looks like a piñata.

"How calmwould you be if you had to smell his socks that he has not change in two years!" (Me: I understand her)

"Hey theyare giving me luck!!!"

"I thoughthe was KO." Max says looking with a sweat drop at his team mate that fallsdown.

"Maybe itis the same as they say about diseases. The only ones who don't get them arethe stupid ones." Ray says while he stands with Max and Lee looking at thestupid boy aka Tyson.

"In thatcase, must Tyson be the healthiest boy alive." Lee putts in this while they arelooking at Mariah and Emily who is beating Tyson up because of his awful smellysocks. "Or maybe not after this"

O.o, "I'll beright back. And with that Saph runs away to see if it is like she thinks it is."

But it isno use because I am dragging her with me.

"Sinja takecare off everything while we are gone."

"Sure Saph, as long as I don't have to go near what I think they are going to see."

-----Aftera while-----

[&]quot;Sinja, didwe burn that diving suit thingy I used when I moved Tyson's socks last time?"

[&]quot;I don'tknow but last time I saw it was when Tiilia walked away with it."

[&]quot;You don'tthink that it is still..."

[&]quot;If it isit must be alive by now it is more than a week since you used it."

[&]quot;What areyou two talking about?"

[&]quot;Kat youdon't know what happened to my diving suit, who keeps the smell away costume?" "No."

[&]quot;Tiiia hadit the last time I saw her." Sinja says looking at Kat.

[&]quot;Oh, thatwould explain that horrible smell near her room, I just thought that it wastime for her to clean it."

[&]quot;She isbrave to go near that." Sinja says looking at Saph when she runs away

[&]quot;Oh lalmost forgot, Kat you are coming with me."

[&]quot;What?NO!!!" O.o

[&]quot;She mustbe around here somewhere." Saph says sneaking around the corner imitating a spyon a mission.

[&]quot;Awwww,what is that smell coming from?" Kat says when she walks a bit behind Saph.

[&]quot;Whatsmell?" Sniffs the air. "Yuck, oh that smell, it's awful!"

[&]quot;It comesfrom that room." Points at a room with a pink and green door.

[&]quot;Come onKat it's time to hold your breath and save the human kind."

[&]quot;Huh?"

[&]quot;It's timeto get in and burn the thing that smells so much."

- "Oh."
- "On, three.One"
- "Two"
- "Three", andwhen I say three I push Kat into the room (what I need to check if you couldbreath in there at all and why should I sacrifices my life.)
- "Do youwant more tea, Ms. Smelly pants." Tiilia says offering more tea to the smellydiving suit thingy that I used to move Tyson's sock with.
- "Tiilia, what on earth are you doing?!?!" I say and looks into the room witch now has Kat as a carpet.
- "Having teaparty, do you two want some?"
- "I think wepass, please Tiilia can you come with the suit." I say and looks at Kat whileshe stands up holding her nose.
- "What suit?"
- "Are youthat stupid, it's..." I am holding my hand in front of Kat's mouth trying toprevent her from scaring our pray away.
- "Can youcome and take Ms Smelly pants with you." I say with a smile and looks at Tiilia.
- "Why didyou not say that from the beginning?"
- "Because Ireferred to her with her first name."
- "Oooooohhhhhhh,okay."

Tiiliastarts to carry the suit to the point I have pointed out.

- "I wantedto be in the tea party with Tiilia" Dragon says sobbing a bit since he didn'tget invited.
- "Go aheadwe won't miss you." Dranzer says looking at the dragon bitbeast that issupposed to one of the strongest, and hopefully not smartest.
- "Yay!!!"

"He isscary."

- "Tiilia Canyou please go and help Sinja, we are going to help her (the suit Ms Smellypants) home." I say and points at the suit.
- "Okay." Andwith that is she skipping, (Indian jumping) jumping and sometimes evencrawling?! Away.
- "Kat didyou bring the photogene?"
- "Let itburn."
- "First thebladers have a barbeque and now we have one."
- "Saph."
- "Yes?"
- "YOU ARECRAZY!!!"
- "What?"
- "We are notgoing to eat the suit!"
- "I did noteven say that the crazy one is you."
- "But, you...Ah forget it."
- "And nowlet it burn." I light matches and drop them on the suit and then I just standon the side and watches the flames conceal the suit, burn it so it so itdisappears in smoke away from the earth and our lives. "And finally the suit isdead, let's go back."

- "No why didthey burn it I wanted that suit."
- "And why didyou want to do with that?" Galux asks Dragon looking at him a bit dishusted.
- "You doknow that his pocket is really near his feat, plus I thought the suit was cool."
- "Go figure." Dranzer says while she and the rest just sighs before they watches the rest ofthe show.

"Hi Sinjawe are back has something special happened?"

In daroom

Mariah andEmily is still running around chasing Tyson when Mariah sees something shethinks looks interesting

"Oh look, what a beautiful hat." (Guess witch one, neh)

Mariah drops the unconscious Tyson on the floor (yes they got him) and runstowards the hat and the rest of the stuff. "Look it is enough with clothes forall of us to wear."

Everybodyells does the anime sweat drop.

"It's timeto do my announcement." I pick up a mike and start to talk into it andeverything I say can the bladers hear "Uh, hum attention everyone! The clothesyou see on the floor are for you guys just because there is no shower in thereand frankly you are all starting to smell like Tyson's socks. So we have connected two separate rooms to the one you are in that you all can use and change your clothes in. And a note from my brother to Kevin, Kevin we are not filming in the dressing rooms so no you can't get a copy of the tape and the same goes for you Kenny."

"What! Ihave never asked for that!" Both Kenny and Kevin scream.

"I was not the one who said you guys did, if you have something to complain about talkwith my brother. But now please change your smell is coming out from the roomand the wildlife civilisation around 10 miles from this spot is currently dead."

"We don'tsmell that much!!!" All the bladers screams looking pissed of. And then theyscream several more things but I don't listen to them.

- "Well thatwas nice." Sinja says looking at Saph.
- "SometimesI just get the urge to be that but this was not one of that moments."
- "Huh?" Katsays looking at me with a cooked eye brow.
- "Some of the clothes have some miner problems."
- "Such as?" Sinja says looking at me with her arms crossed.
- "Oh, wellsome clothes have holes in them, some are discoloured from the laundry, has gluethat is not dry yet, and...."
- "Wait, whatwas that last?"
- "Discoloured."
- "No theglue part."
- "Oh thatwell you see some off the feathers on the hat was falling of so I fixed it, more or less."

[&]quot;Look atthe screen."

"What!!!"

- "That was just... Brilliant!" Kat says actually smiling at me.
- "Thank you." I say and bow in front of an imaginary public.
- "Why didn't think off that, now I can fix Saph's shoes."
- "Did yousay something?"
- "Oh nothing, I just said that it was a great idea."

"Oh I lovethis hat, and this dress and this shoes and..." Mariah says looking trhu theboxes tossing everything out at the same time.

"I am agirl but don't expect me to act like that." Mariam says looking at the pinkhaired girl closing her eyes for a second she then finds out that Mariah havestarted to drag Mariam arm.

"Come onMariam we got to get change and I have found a beautiful dress that you canwear."

Mariam isscreaming in her mind; "somebody help me,the dress is pink!!!"

After 30minuets are all the bladers in their "new" clothes, everyone except Kai.

"Kai, whyhave not you changed your outfit?" Hilary says to Kai and taps her foot at thesame time.

"I won'twear that", he says and points at some clothes that looks spookily similar likeTyson's clothes (A/N I can understand his point O.o)

"You haveto." Mariah says starting to look pissed of.

" ,

Butmeanwhile has Mariam gathered the guys so they can catch him and change hisclothes.

Mariamsthinks "If I have to wear this stupidpink dress then you can wear Tyson's clothes."

And withsome rather disturbing noises, a fight and some giggles from the girls side(they took him in to the dressing room and the girls are outside, what did youthink?) They got the clothes on him, and their old clothes have in some spookyway disappeared.

"Oh this isgood." I say inside the control room with a smirk on my face.

Mariah hasthe hat on her head and is turning so she is facing Hilary.

"Hilary youwould look great in this hat why don't you try it?"

"Sure whynot."

And whenshe said that Mariah is starting to take the hat off her head but it don't workso she pulls harder and with a ritsching sound Mariah stands with the hat inher hands and on her head is some, (giggle) bald spots.

"What iswrong why are you looking in me like that?"

"Uhm Mariahyour hair." Ray says trying to not laugh.

"What aboutit, did I get hat hair or something?"

"Well yougot something." Max says before he burst out in laugh.

Mariah looksconfused at the others and the she searches the room after a mirror andmeanwhile the bladers is desperately trying to not laugh at her, or almosteveryone is but they are getting weaker and some of them has already given upand rolls around on the floor laughing.

[&]quot;And thatwas funny."

[&]quot;Saph thatwas extremely mean." Says Sinja while she looks at me disappointed.

"What?! Ohher hair, well I am intending to give her some <u>Hair grow out</u> the only thing that actually works, in the endof the today but if you don't think I should do that..."

"That isnot what I said."

"I know, and don't worry Mariah fans she is going to have her hair to grow back again, and it is not that noticeable, lol. But now so you guys won't kill me for this anotherclip from Get Sugar High With Max."

"Welcomeback for another clip from Get SugarHigh With Max!!!"

"Hi and welcomel am still Sapphire Angels Devil and that was my newly hired announcer thatintroduced the show. Since Oliver has run away", looks angrily at the directionhe ran at, "we now have a new guest so give it up for Tyson!"

Cricket'schirps can be heard but after a while a voice is heard

"Yay, hiTyson!!!"

"Well uhm, thank you for the applause Max", I say and thinks; did he not see the sign that says BE QUIET OR ELLS, "shrugs". (A/N if you had not guessed it already I amnot a Tyson fangirl now back to the story) "And now... Tyson are you ready."

"Yes... Readyfor what?"

I am doingthe anime fall.

"For the challenge, of course."

"Oh that."

I sayquietly "Baka." (A/N Baka = idiot in Japanese)

"Tyson andMax are going to have a; who can eat the most sugar in the shortest time race. Are you guys ready?"

"Ready, yum." Max says and smiles

"Ready forwhat?" Tyson says and looks at me with a confused look on his face. I then hitTyson on the head with my trusty mallet.

"You really are an air head Tyson, but now begin."

And theeating starts, but do to how hideous they eat we can not send that part so youjust have to satisfy with the end and your imagination.

"And thewinner is... Max..."

"What but late most the shortest time?!"

"That'strue but in the rules it says that you get disqualified if you eat the table, the chairs or a camera. And you broke every single one."

[&]quot;Can't hetake a sarcasm?"

[&]quot;It's Dragon we are talking about." Draciel says looking at Drigger that continues.

[&]quot;Yes but heseems more stupid lately."

[&]quot;It can be because he is starting to act like his master." Amphilion says and looks at Dranzer that looks like she is going to panic.

O.o "And Ican't even understand how master Kai can live with that moron. Let me out ofhere."
