2 - Uh-oh: Naruto Forgot Something

At Naruto's house:

"Naruto! How did it go?" Shikamaru asked.

"They didn't suspect a thing. Believe it!"

"Alright then, we might as well start watching." Shikamaru turns on the TV. Nothing but static.

"Naruto?"

"What?"

"Did you remember to turn the camera ON?"

"Uh... Whoops?"

"You have to go back and turn it on!!"

"But Sasami said I can't come back! And why do I have to go?"

"Because out of all of us, your Sasami's best friend."

"But she's better friends with Gaara than me!"

"I'm not going." said Gaara.

"But-", "I'm. Not. Going."

"Why not?"

Gaara glared at him. "Fine, fine, I'll go." Naruto sighed and headed back to Sasami's house.

At Sasami's house(Palace, whatever):

"No!"

"Aw, c'mon Sasami. PLEASE???"

"No. I gave you your five minutes already." Sasami slammed the door.

'I'm going to have to find a different way in' He thought. He saw the window closest to the table. He reached for the camera. "Naruto, no! I told you to leave. So LEAVE!" she slammed the window shut. 'Oh, I know!' He used his sexy jutsu to turn into a girl. She rang the doorbell. "Hi my name is Nar- um... Narina. I heard you were having a sleepover and I was wondering..."

"No, Naruto!"

"Who's Naruto? I'm Narina! Now I'll only be a second..."

"Naruto, LEAVE!"

"Aw, man!"

Sasami slammed the door again. He looked in the window, searching for another way in. He saw a vent right above the table. 'That's it!'

Sasami's P.O.V.:

A little while after I slammed the door on Naruto (Again), He was trying yet another stunt to get to the camera he put on the table. He must have forgotten to turn it on or something. I was all too used to Naruto pulling stunts like this. This time he was using his clone jutsu to make a human chain. I decided to ignore it this time. Amazingly, Destiny and I were the only ones who noticed him.

Back at Naruto's house:

"I did it, you guys!!" Naruto came running in.

"Let's see if you did it right this time." Shikamaru turned on the TV. The girls had just started karaoke. They played it for a while and then they watched Nausicaa of the Valley of the Wind. Finally, Neko had an idea.

"Hey, you guys, let's play love circle!"

"What's love circle?"

"It's easy, you just go around in a circle and say the name of your crush!"

Then they explained the normal rules, like "what's said in this room stays in this room" and things like that.

"This is getting good!" Naruto yelled.

"Why am I even here?" asked Sasuke, "I already know that all the girls like me."

"They don't ALL like you, so don't get so cocky." said Shikamaru.

Sasami ended the rules with "And don't even think about lying, because both Destiny and I can tell."

"Alright then, let's play!" Ino yelled.

3 - The Game Begins

Sasami's P.O.V.:

I smiled. "Well, since this is my house and all, I guess I'll go first." I said. "Even though it's obvious that I like Gaa-kun." Ai giggled while her twin Chii rolled her eyes. I grinned.

At Naruto's house, third person P.O.V.:

Gaara blushed a bit. Naruto raised his eyebrows in surprise. "Wow, I didn't know that!" Sasuke rolled his eyes. "Loser..." Naruto glared at Sasuke. "What did you call me?!" "I called you a loser, now shut up." Naruto and Sasuke went at each other's throats, while Shikamaru rolled his eyes. "How troublesome..." He muttered.

Sasami's P.O.V.: I was still grinning widely. "Alright, Kirei, who do you like?" I asked, looking to my left where Kirei was sitting. Kirei turned bright red. I already knew the answer. Kirei stuttered. "U-u-um... W-well.... Sh-Shikamaru-san..." She said quietly, so I almost didn't hear her.

Naruto's house, third person: Naruto looked at Shikamaru. "Wow, I didn't know that she liked you either!" Shikamaru was bright red. Kiba looked at Naruto. "Wow, you really are clueless, aren't you?" He asked. Akamaru woofed in agreement. Naruto glared. "Shut up, I didn't ask for your opinion, dattebayo!"

Sasami's P.O.V.: "Ok. Oh, and by the way, you two would make a really cute couple." I said, still grinning. Kirei looked at the person to her left, who was Chii. "Um...Ch-Chii-san, wh-who do you like...?" Kirei asked. Chii groaned. "No one." She replied. Ai poked her in the side. "Nyah, c'mon, Chii, we know you like someone!" Ai said grinning. I nodded. "Yeah, you're lying." Destiny nodded as well. Chii groaned again. "Fine. I like..." She trailed off, mumbling. "What's that?" I asked. "I can't hear you!" Chii glared at me. "I like Sasori, alright?!"

Outside of Sasami's house/palace thing, third person P.O.V.: Deidara was in a tree, watching the party through his scope. Sasori was sitting in a tree branch close by. "Remind me why we're doing this again?" Sasori asked, sounding impatient. "I dunno, I thought it'd be fun, yeah." Deidara turned to his partner, grinning. "Besides, it's starting to get interesting, yeah. You know Chii likes you, right, yeah?" Sasori turned red. "What?" He asked calmly. "You heard me, yeah." Deidara said, smirking.

Wow, I actually got around to writing this chapter. I sort of have a lot going on, so forgive me if I don't get on too often. Well, I hope you liked it!

## 4 - The Game Continues...Huh? Who the Heck are You?

Chapter 4: The Game Continues... Huh? Who the Heck are You?

### 3rd Person P.O.V.

Sasami grinned. This was fun so far. Even though she sorta knew all this stuff already. Chii mumbled about how stupid the game was, then looked at who was sitting next to her. Ai always insisted on being right by Chii, so naturally, she was sitting right there next to her. "Oi, Ai, your turn." Chii said, still blushing a bit. Ai beamed. "Weeeeeeeell..." She started. Chii cut her off. "It's pointless asking you, you like pretty much every boy on the face of the Earth." She stated bluntly. Ai shot a look at her sister. "I wasn't done! And there's one boy I like more than the others!" She said, slightly angry. She hated being interrupted. Chii raised a slender eyebrow. "Really? Who is it, then?" She asked. She couldn't help but feel curious. Ai smiled. "Dei-kun!" She said happily. Chii rolled her eyes. "I should have guessed, someone as annoying as you..." Chii muttered. Ai elbowed her sister.

Deidara blinked and turned red. Sasori looked over at his partner. "What is it now?" He asked. Deidara glared at his partner. "Nothing, yeah! Mind your own business, hmph!" He snapped. Sasori rolled his eyes. "Fine, whatever. Not like you would do the same..." He grumbled.

Ai turned to the person next to her, Tenten, when there was a knock at the door. Sasami jumped up. "I'll get it!" She said, running to the door. When she opened it, she saw a girl who looked about their age, but Sasami somehow got the feeling that she was older, probably about 20. Sasami had the ability not only to tell if someone's lying, but also if they were tricking her with some kind of jutsu. In this situation, however, Sasami wasn't sure.

"Um, can I help you?" Sasami asked, not sure what this girl could possibly want so late at night. "Um, I'm sorry to interrupt anything, but I heard there was a sleepover, and I was wondering if I could join you?" The girl asked sweetly, "You see, I'm sort of new here, and I thought this would be a good opportunity to make some friends..." Sasami narrowed her eyes, only barely able to see through this lie.

She started to tell the girl to leave, but she stopped herself. She started to think that maybe she should let the girl in, perhaps she could learn something about the girl. Sasami faked a smile. "Alright, come on in!" She said sweetly, gesturing towards an empty space in the circle. The girl smiled and walked in, sitting down in the spot. Sasami made eye contact with Destiny, and Destiny nodded. They'd have to keep a close eye on this girl.

Everyone introduced themselves, then Sasami looked at the girl. "So, what's your name?" She asked. The girl smiled and said, "My name is Namine!" Namine figured that she could say her real name, figuring that they probably wouldn't have heard of her. Sasami smiled and nodded. "Alright, Namine, we're just playing a game. Feel free to join in!" Sasami thought she had heard the name Namine before, but she wasn't sure where. She began to explain the game. Ai, however, had heard of Namine. Deidara would complain about Namine all the time, saying that she was a total nuisance with no appreciation for art. Ai decided to keep her mouth shut.

Deidara blinked in surprise. "What's Namine doing there, yeah?" He asked. Sasori looked over. "Oh, Leader-sama appointed her a mission that involved spying and retrieving information on weaknesses or something, this must be her mission." Sasori stated, like it was old news. Deidara nodded. "How come no one told me, yeah?" He asked. Sasori rolled his eyes. "We thought you knew." He said simply. Deidara shrugged and looked back to the sleepover. "Well, at least we can watch her screw up her mission, yeah. She screws up everything, un." Deidara said, grinning. Sasori sighed. "Just tell me if anything important happens. Otherwise, don't bother me."

Ai smiled. She didn't suspect a thing, being the clueless girl she was. "Well, welcome to the sleepover, Namine!" She said happily, glad to have the opportunity to make a new friend. She then turned to Temari. "Alrighty, your turn!" Temari nodded. "Well, you probably wouldn't know him, he's this guy from Suna. And I sorta like Shikamaru..." She trailed off. She looked over at Kirei. "He's all yours, though!" She said happily. Kirei blushed at this statement.

Shikamaru blushed. "How troublesome..." He sighed. Kiba watched silently, sort of disappointed that no one liked him so far. Chouji thought the same thing, although he wasn't really surprised. Naruto frowned. "How come so many girls like you, Shikamaru?" Shikamaru shrugged, not quite sure himself.

Temari looked at the person next to her, who was Sakura. Sakura started, but Sasami cut her off. "We know, we know, it's Sasuke-teme." She said impatiently. She had no patience when it comes to Sasuke. Sakura pouted. "How did you know?" She asked. Sasami rolled her eyes. "Lucky guess..." She muttered. Personally, she didn't understand how anyone could like Sasuke. Sakura looked at the person next to her, who was Namine. "Your turn!" She said, before starting to daydream about Sasuke.

Namine smiled. "Well, you probably wouldn't know him..." She said. Sasami prodded, "Go on, just tell us!" She said, wanting to know more about this girl. Namine, figuring it wouldn't hurt, said, "Well, his name is Hidan..." Sasami looked at Namine. Now this name she had heard before. This was a guy from the Akatsuki. She almost jumped to the conclusion that Namine was definitely a member of the Akatsuki as well, but stopped herself. Ai and Chii both liked guys from the Akatsuki, and neither were actually part of the organization, so it would be unfair just to jump to conclusions like that. However, she kept a closer eye on Namine.

Ai, who often jumped to conclusions anyway, asked, "So, you're a member of the Akatsuki?" She asked Namine.

MWAHAHAHA, CLIFFHANGER!!! Geez, it took me forever to write that chapter... Well, I just realized I don't have a disclaimer, but I think it's pretty obvious that I don't own Naruto. If I did, it'd be more romantic. I do, however, own all of my OC's.
