Chapter 1 - Love You

2

1 - Love You

Love is my sky,
You are my sun.
As I watch the sun set,
I dream of you watching
My every step.
Dancing in the rain,
Sitting under the stars,
Holding hands in the sunlight,
All make my world go round.
You make me smile,
Away from my frown.
I jump for joy when you are near,
And hold me tight,
As if you were my guardian angel.
You make think of spreading
my wings and taking flight.
My heart, filled with you,
Set sights of the time we share together.
But so far away are you now,
My love still strong,
It seemed so long.
We talk to each other if we can,
Two different words,
One relationship but as if
Away you ran.
So,
Love is my sky and you are my sun.
As I sit out.....and watch
The sun set,
I dream of you,
Watching my every step.
In the mornings,
I wake up,
Light fills my window,
As bring as your smile.
Dread never comes,
With you around,
So don't break my heart now....
Love is my sky,
You are my sun.
As I sit out...
And watch the sun set,

I dream of you watching
My every step.
It's like a clock that's broken,
We have all the time in the world to love.
Love is my sky,
You are my sun.
As I watch...
The sun set.
I dream of you....
Watching my every-
Step.
