*I've had been pondering the thought of writing this poem. It's a big reflection in my life. The story is thought of only in worryful dreams. Yet...it's so realistic. It will follow a story that is being written now. It will follow this poem.*

# 1 - "What Happened"

**"What happened"**

**Let's take the time,  
And let's go back.  
Let's take it in,  
All the facts.**

**We were young.  
That was us.  
All we knew,  
Laughter and fun.**

**Then that day,  
You got your way.  
We grew apart,  
But who knew that was just the start.**

**Hate you had,  
And just for me.  
What had happened?  
What did you see?**

**Death at my door.  
You still didn't care.  
Longing for you,  
Yet you had no clue.**

**So now I forgot you,  
And you stare at my stone.  
All the memories that we once knew.  
You're alone.**
