# 1 - "Forget Me Not"

"Forget Me Not"

Here's a thought,  
Can't you just listen?  
You remember every fight we've fought.  
My strength has risen.

Forget me Not.

Seems like it's been forever,  
Since I was free.  
My second chance will be never,  
And now I finally see.

Forget me Not.

Again, Again,  
I'll explain myself.  
Now, let's not pretend.  
My life's book is now down from the shelf.

Forget me Not.

I'll be fine,  
But like you care.  
I commit no more of a crime.  
I won't cry this time.

Forget me Not.

I'll survive,  
I'll live no lies.  
I'll say my goodbyes.  
I'll be out of you life.
