*"My Only Reason Is That One Word" (lyrics) describes my thoughts for the depressing events in one's life. For you never know when you will leave everyone and anyone. ^\_^ **Please, tell me what you think.***

# 1 - "My Only Reason Is That One Word"

"My Only Reason Is That One Word"

I will hide my fears,  
Keep my happiness tucked away.  
Cuz' only one word,  
And I could be gone.

Now I know that sounds unrealistic.  
But you've got to believe me.  
Trust in me,  
For I trust in you.  
And my every thought makes me sad.  
So, I will leave you here.  
Don't forget me, my dear.  
For I will trust in you,  
This isn't goodbye.

I will hide my fears,  
Keep happiness tuck away.  
Cuz' only one word,  
And I could be gone.

So, I will ask you, forgive me.  
My dreams have been locked inside.  
I will give you the key to my heart.  
Won't you keep it?  
I will never forget these finale day.  
You made so happy.  
Don't forget me, my dear.  
And I will trust in you.  
This isn't goodbye.

I will hide my fears,  
Keep happiness tucked away.  
For only one word,  
And I could be gone.

This isn't a 'goodbye',  
More of a 'until again'.  
You can't tell me it's the end,  
So I will believe you will know.  
And please pray that we won't loose each other.

And now I wonder if you will.

I love our memories,  
I love the thought of you.

I will hide my fears,  
Keep happiness tucked away.  
Cuz' only one word,  
And I could be gone.

So don't, don't,  
Don't forget me, my dear.  
And I will trust in you.  
There is no goodbyes.
