Chapter 1 - For You

2

1 - For You

Don't expect me to give up,
Their plan will never work.
The book explains it all,
To them I will not call.

Say the worst,
Like I care.
I understand,
Life isn't ever fair.

Who made you cry?
For tonight they will die.
I can't see your sorrow.
Please don't leave on the morrow.

Hold me tight.
Carry me with you.
I will help you fight,
In everything you do.

Lies I've heard,
But you I can trust.
Every word,
That we've spoken to each other.

For you I can trust,
For you I can trust.
To love you I must,
To love you I must.
