I wrote this feeling really crappy.

My writings had stopped flowing but, here it came...words coming as bullets to the head.

Chapter 1 - For You I Will

1 - For You I Will

A promise you made when we were three,
"I know you so well, best friends we'll be."
The season came, the season went.
So did you, I kept your friendship.

Eleven years of age,
My worst days.
You appeared,
My cloudy skies cleared.

What had happened?
Where'd you go?
My dreams of you...
I missed you so.

Our families take sides,
Somethings changed.
Our friendship ridden.
Our love forbidden.

Somethings led to others.
My heart their anger bothers.
Your eyes still shine.
Your heart's still mine.

Promises hurt,
But please make this vow.
Love me each day,
For you I will.
