*Again, for today.*

*Love, I was feeling dead five minutes later.*

*God, forgive me.*

**Chapter 1 - Too Much**

**2**

# 1 - Too Much

You have me all dolled up;

Am I ready for the show?

Why aren't you the actress?

'Because I've never hit the floor'.

God help my mind,

Cause my soul is out the way.

Maybe I won't make sense

Because they want to say she's dead.

Nothing is a dream.

Reality is a nightmare.

God, protect me through the night.

For I truly am scared.

Person, please forgive me.

I never wanted to be hurt.

So, I give myself up

During this tragedy.

Sir, don't kill me.

I'm sorry for this deed.

Just another storybook tale

That is messed up in itself.

And I pour it out on paper.

All this turmoil and this grief.

All this taken and hidden;

They treat me like a thief.

I'm running from this animal

In which I've become.

I just want someone to love.

Is that just *too much*?
