Jack was sneaking around the lair of Chases' evil lair, But as always Jack had a bump on his head because, Like many times before, Jack has been smushed by the opening to Chases' lair. Jack looked high and low for chase till his came to a pair of huge black doors with ice blue dragons of the door. Jack was curious and decided to open the doors, but what he saw he was not expecting. Chase Young taking a bath in a flat tube. Chase Young turned his head amazed to see Spicer at the doors, But none the less Chase smirked at this visit and Spicer's great timing.

"Spicer, What a humble surprise. Shocking to see you here" Chase said with a sarcastic tone.

"Uh well, I just wanted to come by.....and....uh..." Jack wouldn't finish for chase had gotten out of the bath tube and grabbed a towel to rap around his waist.

"So what do i owe for such a visit" Chase said as he walked toward Spicer. His wet hair sticking to his muscular body.

"I uh....well you.....see....i kind of umm....." Jack was so stretched for words at this moment. He was so turned out my Chase's body.

"Come let us talk in my quarters" Chase said with an evil grin on his face. Jack blushed. On the way to Chases' quarters, Chase rapped his arm around Spicer.

"Come sit" Chase gestured toward Spicer, Still in his towel.

"Uh ok" Jack said and sat down slowly. Chase moved toward Spicer. Once right in front of Jack, Chase lifts up Spicer and sits on the bed and places Jack on his lap.

"Take off your shoes, Get comfy" Chase said. Jack did so, but he was so stiff, Chase decided to help. But this made Jack even more stiff. After Chase got Spicer's shoes and socks off he started to move for Spicer's zipper. Jack jumped up.

"WOWOWOWOW, why are you doing this i mean, not that i don't mind it or anything, I mean i do its just-" Jack was cut off by Chase's hard and demanding kiss.

"Shut up" Chase demanded. Chase started to take off Jack's goggles and took off his jacket and shirt. The only thing Jack was left in was his pants and they were somewhat open. Jack was blushing and his body heat was on the high. Chase smirked at his work and kept on going. Chase set Jack on his king sized bed and kissed Jack and forced his tongue through Spicer's lips. Chase moved his hands up and down Jack's stomach and hips and soon Chases' kiss became more fierce and lustful. Chase started to unbutton Jack's pants all the way and soon pulled down Spicer's pants all in one swift

movement. Leaving Jack completely exposed and chase only in his towel. Chase grinded his hips and member onto Jack's. Jack basically screamed out a moan. Chase smirk widened. Soon Chase removed his towel and threw it to the ground next to Spicer's clothing. Jack finally realized what was happening to him and started to panic. Was his first to be with a man? But not just any man, Chase Young, His Idiot! Jack was trying to push Chase off so he could clear his mind easier, But chase would move an inch away from Jack. Jack knew now, That if he wanted this or not... He was gonna get it. Chase gently grabbed Jack's arms and pinned them over his head and started to kiss down Jack's neck. The next thing Jack knew was that he screamed from the pain in his neck. Chase had bitten him!! Chase licked the mark he left on Spicer's neck, Licking up the little blood that remained. Chase licked up the side of Jack's cheek.

"Did that hurt?" Chase taunted and chuckled as Jack whimpered. Chase put Jack in a

fierce,demanding,and lustful kiss.Jack loved this,but didn't want to show it at all.But then something completely unexspected happened.Chase shoved his member into Jack's tight slits.Jack screamed from the mass pain.Chase was big and that wasn't even half of it,He was hug and he couldn't take the pain.
"Stop please,Your tooooo BIG!!"Jack stream the word big outloud as chase pumped into Jack.
"If you relax and move with me,It won't hurt as much"Chase purred in Jack's ear.Chase didn't stop pounding inside Jack.Jack tried hard to relax,but couldn't.Chase was just to big,And way tooo hungry.Chase realized Jack was trying to enjoy this,But there was no way possible at the speed Chase was going.Chase suddenly got an idea,So he could enjoy himself and help Spicer enjoy this as well.Chase suddenly let go of Jack's arms and pulled him up,His member never leaving from inside of Jack.Know Chase siting criss-cross with Jack sitting on him with his back facing Chase,And Chase's member still much inside him.
"Lean back on me and relax"Chase said soothingly in Jack's ear.Jack leaned back and relaxed,Scence Chase's member wasn't moving inside him that much anymore.Chase suddenly grabed ahold Jack's member and Jack became worried.
"Your not gonna make me a girl are you?!"Jack asked scared to death.Chase laughed.
"Never"Chase purred in Jack's earand nibbled on Jack's earlobe."Your perfect the way you are"Chase purred again.
"Then what are you going to do?"Jack asked,Still leaning against Chase.
"Just wait and see"Chase said.Chase held onto Jack's member and started to pumps Jack's member slowly.Jack was moaning outloud,And soon Chase started to move him member up and down inside of Jack.chase started to nibble and bite down on Jack's neck as his hands started to stroke Jack's member faster and faster with each stroke,And he was pounding himself into Jack aswell.Jack was screaming,panting,sighing,moaning and screaming again.Jack cummed all over Chase's hand,But Chase didn't stop,He kept pumping and stroking Jack's member.Soon Chase added his thumb ribbing the line on the top of Jack's member,Which drove Jack insane.Soon Jack cummed again on Chases hand,But Chase still didn't stop.Chase started to pound harder inside of Jack and soon Chase cummed.A whole 5 hours,Chase cummed inside Jack atleast 3 times while Jacked cummed on Chase's hand at least 5 or 6 times.Chase pulled out of Jack and let go on his member.Jack was somewhat lifeless,But he was reallty tired.Chase smirked and licked the cum off of his hand.
"Now,That was fun"Chase purred at the tired Jack.
"Don't you think so?"Chase asked.Jack didn't responed,He only tryed to get the air back in his louns.Chase smirked again and tucked Jack in his kind sized bed.After he tucked in the sleeping Jack,He kiss Jack's forhead and put on a white robe and turned off the lights for Jack to sleep.

Jack was working on his new invention, The Jack-Olater! While Jack was sitting on the ground while making the Jack-Olater, when suddenly he heard his basement-I mean Evil Lair door open. Chase was at the door way, Jack's idiot. Chase locked the door and slowly walked towards Jack.

"Uh hey Chase!! Can I get you something?!! Anything at all!! You name it!!" Jack said while jumping up in front of Chase. Jack wasn't wearing his cloak or his boots at the moment. Chase smirked at Jack.

"Uh what's with the smirk?" Jack got kind of scared and started to back away. Chase followed him. When Jack took a step back, Chase took two. Soon enough Jack hit the wall and Chase was about less than about 3 inches away.

"Anything, Hmmm?" Chase grinned.

"Hu what?" Jack asked in a small voice.

"You asked 'Can I get you anything'" Chase mimicked. Chase took another step closer to Jack, which of course, closed the area between them.

"Huh" Jack stuttered out. Chase bent down towards Jack, but Jack turned his head to the side, and Chase didn't agree with this move of course. Chase grabbed a hold of Jack's chin and faced him by force, and kissed Jack with lust of fire burning within. Jack struggling, trying to get away, but Chase grabbed a hold of Jack and pulled Jack off the floor and put him on Jack's plain table. Finally Chase broke away, Jack was breathing for air.

"What are you doing?!" Jack yelled.

"You'll find out when I'm done" Chase said in a seductive voice while nibbling on Jack's earlobe. Jack kept struggling and trying to get away, even started to kick Chase, but nothing worked. Chase grabbed a hold of Jack's arms with one hand, pinned both of Jack's legs to the side of the table with his own. No escape. Chase pulled off Jack's shirt in one swift movement, not even giving Jack time to jump up and run. Soon Jack had no clothes on, completely naked in front of Chase's eye. Jack started to shiver, out of fear and for the fact that it was cold in the house. Chase bent his head down to Jack's abs and bit down, making Jack's stomach tighten up. Jack didn't want to whimper in front of his 'idiot'. Soon Chase was completely naked as well. Jack struggled harder.

"NO PLEASE!! STOP IT PLEASE!!!! I DON'T WANT THIS!!!! DON'T BEND THIS WAY!!!! PLEASE STOP THIS!!!! THIS ISN'T FUNNY!!!!" Jack screamed, struggling harder and harder.

"One, I'm bisexual, and two, I know you want this. Just as much as I do, if not more" Chase whispered in Jack's ear. Chase slammed his member inside of Jack. Jack screamed at the top of his lungs.

"NO STOP PLEASE!!!! IT HURTS!!!!" Jack screamed as Chase slammed harder and harder with each thrust. Chase grunted and slammed harder.

"Huh, that's right!! Fell me inside you spicer!!" Chase grunted. Jack had tears pouring down his face, whispering 'Stop, No, please stop'. Chase leaned let go of Jack's hands, and Jack didn't move them. So Chase kept pounding himself inside of Jack, but grabbed a hold of Jack's member as well and started to stroke it, gently and softly. Soon Jack started to moan and sigh. Soon Jack cummed all over Chase's hand and Chase licked Jack's semen from his hands. Soon after Chase cummed inside of Jack and Chase pulled out of Jack completely. Chase had such an evil grin on his face, even the Devil would fear such a grin. Chase put his clothes on and rapped Jack in a thick sheet and something soft for his head to lie on. Jack was tucked in and Chase was at the door.

"Goodnight my Uke,I had fun"Chase laughed and shut the door behind him,Leaving a tired Jack Spicer to sleep.
