1 - The Pheonix's mistake!

Meena and Luna info: After helping the Bladebreakers escape a haunted mansion, the sisters were offered to live with them. Only problem is- they create more trouble than the Bladebreakers ever had!

"Okay! Mr. Dickensin sits over here- I gave him Sake not sprite so don't drink from his cup guys! Everywhere else Lua put the soda so just sit anywhere but here- we don't want anyone getting drunk!" Meena explained the arrangements for the picnic. All the stress they had lately- they needed a day off to clear up the mess! Kenny walked around the place, filming it all on his camera.

Everyone nodded and sat. They ate the food and drank their drinks- but Mr. Dickensin was looking at his drink with a strange expression. "Is something wrong?" Meena asked. "This...doesn't taste like Sake..." Mr. Dickensin said.

Meena took it and took a small sip. "OH NO!" She gasped.

"LUNA! WHERE DID YOU PUT THE SAKE?!" Meena gaped at her sister. "It was in a cup that said 'Kiss the cook' all over it." Luna explained. Meena and the others looked wildly around the table for the holder of the cup- they found him.

"HAHAHAHA! THIS IS SOOOOO MUCH FUN!"

Everyone gaped with their mouths open- Kai sat with the large cup in his hand. He was laughing crazily. "Kai...are you...okay?" Rei stared at him. Kenny immediately took the chance and took out his camera. He began to film.

"OF COARSE! WHY WOULDN'T I BE?! I AM HAVING THE BEEEEEST DAY EVER! YOU'RE MY BEST FRIENDS!" He laughed drunkily.

"He's...scaring me..." Hilary whispered. Kai laughed so hard he fell off his chair. They quickly circled around him and stared- he was still laughing. "OOPS!" He laughed. He staggered to his feet and tried to stand- but he fell forward at Meena. She caught him and he laughed, "Hiya!"

They were all shocked- this COULDN'T be Kai! This was- a clone or something!

Kai laughed and said, "YOU ALL LOOK SOOOO SILLY!"

Meena grabbed a bucket of water, and splashed him. Slowly he began to regain his senses. He looked at them all- what was going on? Why did his head hurt so much? They looked at him, then each other and a grin spread across their faces.

"HA!"

They all burst out laughing. Kenny stopped filming and joined in. "WHAT'S GOING ON?!" Kai

demanded.

Kenny, still laughing, took out her camera and showed Kai the footage. Kai stared with his mouth open- this could NOT be happening!

"Oh man Kai! I will hold this against you for as long as I live!" Tyson snorted.

"That won't be for long if you don't shut up, Tyson!" Kai glared.

"Hey hey! Break it up guys! So Kai got drunk- and began acting crazy- and... ftt! Who am I kidding?! That was SO FUNNY!" Meena burst out laughing.

Kai glared at his laughing teammates and said, "I'll stay in the van."

He walked away amongst the laughs of his friends.

"I'm never going on another picnic for as long as I live..." He decided.
