1 - So Alone, So Cold

It's so empty
I'm so alone
This room is cold
You're not with me
How can this be
You've left me alone
I feel so cold
I'm so alone
Where could you be
Where did you go
Why did you leave me behind
So cold
I see you with me
But only in my dreams
I love you so much
But you felt
Nothing for me
I cry
I cry alone
And you left me
To cry alone
I die
I die alone
And you left me
To die alone
