# 1 - I Love You

I love you  
I have been in love with you  
Since the first day  
That I met you  
I want to marry you  
And spend the rest  
Of my life with you  
You are my best friend  
And my true love  
Every moment  
That we are apart  
Feels like being stabbed

I love you  
And I always will  
I want to yell it out  
For the whole world to hear  
"I LOVE YOU!"...  
And I always will
