# 1 - Over The Edge

Raven the Bird of Darkness

It was 2:30pm at the Titan Tower. Cyborg and Beastboy were playing the latest video game - 'Attack of the Brain-eating Monkeys 2'. Robin was in the training room training (obviously) Starfire was in the kitchen making something she called Gorglak. And Raven as usual was on the roof meditating.

She felt a presence other than her own, without even opening an eye she said in an annoyed voice

"What do you want Beastboy?"

"Heheh i've got a new joke for you"

"Ooooh, goody" she said sarcastically rolling her eyes which were now open.

"Why did the chicken cross the park?" he asked morphing into a chicken as he spoke.

Raven sighed " I don't know, why did the chicken cross the park?"

"To get to the other slide!" he finished, bursting into fits of laughter.

"Hilarious" she replied rolling her eyes once more.

BB could hear the great amount of sarcasm in her voice this time and said

"C'mon ! That was funny!"

"No... It wasn't"

"Jeez Raven, why do you have to be so mean all the time! Your such a freak you don't laugh, you don't smile or anything man!"

"Well let me show you how mean I can really be!"

And with that her four scary red eyes appeared. BB transformed into a cheetah and ran through the roof door and down the stairs, Raven close on his tail (literally). He sprinted into the main room and dived behind the couch just in time because a split second later a ray of black energy soared over his head and hit the TV Screen shattering it into thousands of tiny pieces.

"WHAT'S THE BIG IDEA?!" yelled Cyborg who was still playing 'Attack of the Brain-eating Monkeys 2' he turned to see Raven with her four red evil eyes.

Robin heard the commotion and came rushing in from the Training Room.

"RAVEN! WHAT ARE YOU DOING?!!!" Suddenly Raven came to her senses and turned to Robin with her once again two amethyst eyes.

"Beastboy he-"

"Raven I don't care what he did but i don't ever want to see you like that again you got it?!" he interrupted.

Everyone was staring at her now. Instead of replying she just sighed and floated to her room.
