1 - AS I DESAPER

AS I DISAPEAR

I look behind, me things disappearing in the dark. Darkness deepens in the night. I walk alone trying to survive. I hear it again and again is it saying GOODBYE! Running I m, I m falling, splash! Kicking screaming I see me as a little girl saying bye- bye. I start to cry I m drowning still fighting my body gives in .My pain my hope my happiness follows as I float to the bottom of the dark cold sea, and I wonder if any one will notice if I m there any more. My last breath slips out of my lips I can fell my lungs being filled up with water eyes closing past flashing before my eyes. My pain my hope my happiness float in the water hoping to find someone to claim. As I watch my soul float with them I realize I may be lost in the deep dark sea forever.
