I noticed the lack of Silver and Blaze- so I made my own! *Special thanks to RavetheHedgehog!*

1 - Three Months After Blaze Was Killed

Silver's POV...

I'm at complete loss. I don't think there's a purpose for life anymore. I lay down on Sonic's couch, where I was practically living.
"Sonic, could you kill me?" Sonic looked over at me like I was crazy.

Sonic's POV...

Silver has gone officially crazy. When he asked me too kill him, I sounded like Knuckles.
"Are you crazy?!" Shadow walked by, fore he was staying at my house as well as Silver.
"Crazy in love," I sighed. Silver was yes crazy, but was he really in love with his best friend? I guess anything is possible...Shadow fell for Maria...and she was human...speaking of Maria, she was staying here too. Really long story, but to make it short, she was brought back to life with the Master Emerald- as a hedgehog!
Maria came downstairs in short shorts and a light blue tank top. I swear Shadow almost fainted. He blushed, because the tank top was somewhat showy. I myself didn't really care. The last girl that was showy I broke up with- Sally Acorn. Sally cheated on me long ago. I moved on. It effected me deeply at first. Back to Silver...wait...Silver WAS in love with Blaze! He's pretty much in the same position I was in! Except, it took me a week to get over Sally- not three months and still counting.

Normal POV...

Maria giggled as Shadow stared. She had gotten older also, fifty years meant she would age for every decade- now she's seventeen, which was older than Sonic, who was sixteen, Amy, who was also sixteen, who, by the way, had gotten WAY more mature, Tails, who was thirteen, Cream, who was six, and Cosmo, who was also brought back to life and twelve. Her and Tails' relationship was going really well.
"I'm guessing you like the outfit, Shadow?" asked Maria. Shadow forced himself to look away.
"Yeah...," Maria and Shadow both were in love, both knew that they were, but yet, they were STILL not together. Maria walked up to him. She was now as tall as Amy, to Shadow's relief. Maria kissed Shadow's cheek.
"Thanks," She walked off, leaving Shadow behind, blushing very red.
"Shadow's got a girlfriend! Shadow's got a girlfriend!" Sonic sung. Shadow turned.
"Shut up," Sonic smirked. Shadow rolled his eyes and walked upstairs. Sonic looked at Silver.
"You need some fresh air,"
"I'd rather suffocate," replied Silver. Sonic rolled his eyes, pulled Silver off the couch, and slapped him across the face.
"OW! WHAT WAS THAT FOR?!" yelled Silver.
"LOOK AT YOURSELF!" Sonic yelled back. Silver finally realized that he looked horrible- his fur was losing it's color from not being outside, his quills were all messed up, and his chest hair, similar to Shadow's, was in all different directions.
"That's it, I'm calling Amy," said Sonic.

"Why?!" asked Silver.

"Because she's gonna fix you up since Maria doesn't know how and the rest of us are guys!" answered Sonic. Silver sighed. He didn't want Amy over here. She was immature an clingy. Oh, one thing- she became more mature, but only towards Sonic. They were going out secretly, and everyone was onto them- Sonic was a pretty good actor, and Amy was a better actress, but their friends weren't stupid. Well, Silver was, because he can't think straight anymore.

Sonic called Amy, who was over in about five minutes. The doorbell rang.

"I got it!" exclaimed Sonic. He ran to the door and opened it.

"Well, hello there, Beautiful," Amy also had changed her clothing- she was wearing a purple shirt, that stopped a little lower than her chest, showing her stomach, a dark purple short skirt, and purple boots. She didn't wear the same outfit everyday now.

She giggled.

"Hi, Sonic," Sonic looked around to make sure no one was watching, and then kissed Amy's cheek. Amy blushed a little.

"Okay, you know the drill," said Sonic. Amy's blush faded, and she smiled.

"SONIKKU!" She didn't hug him.

"Amy, get off of me! I told you that you suffocate me!" exclaimed Sonic. Amy walked in, and Sonic closed the door. They walked to the living room.

"Hi guys!" exclaimed Amy. Maria had just joined Silver.

"Okay, Silver, face Maria. She knows how to fix your chest hair since she lived with Shadow all her life," said Amy. Maria blushed. Silver sighed, and then turned.

"I don't know if Shadow will like me doing this," Maria informed Amy.

"SHADOW! GET YOUR BUTT DOWN HERE!" yelled Sonic. Shadow came down.

"What is it?!" Sonic looked at Maria. So did Shadow.

"Uh, Amy and I have to fix Silver up. You mind if I...uh...fix his chest hair?" asked Maria.

"A little," thought Shadow.

"No, not at all," Maria could tell he was lying.

"Shadow," She smiled. Shadow blushed a little. Maria turned back to Silver and started messing with his chest hair.

"Maria, can you make it stop tickling?" asked Silver. Maria shook her head.

"For some reason, it does it to Shadow too," Shadow nodded.

"Not that much," He lied. Maria let him get away with it. She knew he didn't want anyone to know that he laughs like crazy when she does it. Amy started messing with Silver's quills.

"You have a really unique style," Sonic lightly hit her side. Amy turned.

"What did you do that for?"

"Stop flirting with him," Sonic whispered.

"Sonic," replied Amy. Sonic growled quietly. Amy turned back around. She completely stopped.

"Silver, do you love Blaze?" Silver stiffened.

"W-why?"

"Just tell us! We're all friends here," answered Amy. Silver sighed and looked down.

"Yeah, I loved her more than anything,"

"Aw, that's so sweet! I wish SOMEONE would say I love you to me," replied Amy, looking at Sonic. She was acting and being serious. Sonic could tell.

"It's hard to say something that's not true," Amy humphed and turned back around.

"Amy, you're not really mad at me, are you?" asked Sonic in a whisper.

"We'll talk later," answered Amy. Sonic's ears folded down.

"Silver, I think we can bring Blaze back," informed Amy.

2 - Caught in the Act

Silver would have screamed if he was a girl.

"WE CAN?!"

"If you love her a whole lot, yeah!" answered Amy. Silver hugged Amy. Amy laughed and hugged him back. Sonic growled loudly. Everyone stared at him.

"Sorry, my throat's messed up," Sonic lied. He growled again and then coughed.

"All better!" He walked out of the room and into the front room where you entered the house. He leaned against the wall. Amy came in.

"Sonic, you just made them more suspicious!"

"I know," replied Sonic.

"I'm not gonna leave you for Silver," informed Amy.

"Well, quit flirting with him!" exclaimed Sonic. Amy put her finger over his mouth.

"SHHH!" She took it off.

"It doesn't even seem like you love me. You never say it," She turned her back to him. Sonic's ears folded down again. He took off his gloves, reached around Amy, and placed his hand on her stomach. Amy blushed hard. Sonic pulled her towards him, and turned her around, his hand moving to her back.

"I do love you, Amy! More than anything! I don't want to lose you," Amy blushed even more at the feel of Sonic's actual fur. She hugged him.

"I love you too," Sonic blushed. Amy pulled away and kissed Sonic, and Sonic kissed back, allowing her tongue to enter his mouth as his entered hers. Sonic blushed as hard as possible, and pulled away. His tail was wagging. Amy giggled.

"Excited much?" Sonic laughed.

"I guess,"

"Guys," said a voice. Sonic looked and Amy turned. She gulped. It was Shadow. Sonic and Amy quickly let go of each other. Shadow laughed.

"Sonic, I think you're forgetting something," He nodded his head towards Sonic's gloves on the floor. Sonic quickly got them on.

"Shadow, please don't tell anyone," begged Amy. Shadow smirked.

"Tell anyone what?" Sonic scowled.

"What me and Amy just did,"

"Oh, that! Hm...there's a price...," informed Shadow.

"You and Maria get to stay here instead of me kicking your butt out on the street!" exclaimed Sonic.

"Fine, but I'm telling Maria no matter what," replied Shadow.

"That's because you love her," Amy mocked. Shadow blushed a deep red. He scowled at Amy.

"SHUT UP," He said that through his teeth.

"Hey, don't tell my girlfriend to shut up!" Sonic defended.

"You two are actually together? And I just thought you were tongue wrestling because Amy tricked your gullible self into it," Shadow replied.

"THAT'S IT!" yelled Sonic. He tried to run after Shadow, who ran away as soon as he yelled that. Amy held Sonic back.

"LET ME AT 'EM! LET ME AT 'EM!" yelled Sonic.

"Shadow, what did you do?" asked Maria, a sweat mark on her head.

"I'll tell you later," answered Shadow.

Amy made sure no one was watching and kissed Sonic to calm him down. It worked. His tail started wagging again as he kissed back. Amy pulled away.

"Calm down,"

"Mission accomplished," replied Sonic, dizzy. Amy giggled.

"Before you go out there-" She wiped Sonic's mouth with her thumb.

"I don't think lipstick's your thing," Sonic blushed a little.

"Thanks," They walked back.

"Sonic, control your tail," whispered Amy. Sonic grabbed it to make it stop.

"Amy, when can we bring Blaze back?!" asked Silver. Amy laughed.

"Gosh, Silver, you're like a kid on Christmas morning,"

"I think he IS STILL a kid," said Sonic.

"Hey! Just because I'm fifteen doesn't mean I'm not a teen!" exclaimed Silver.

"How old is Blaze?" asked Maria. Silver looked away from everyone.

"Sixteen," he mumbled.

"Dude, the guy is supossed to be older," said Sonic.

"It doesn't matter!" exclaimed Amy.

"I agree with her," said Shadow. Sonic growled at him. Amy held him back.

"Sonic," Sonic growled again.

"Oh, I'm so scared," replied Shadow. Maria glared at Shadow.

"Stop it!" Shadow looked at her and his ears folded down. Sonic's eyes went wide.

"Shadow got in trouble,"

"I'm sorry," apologized Shadow. Maria kept a straight face.

"Not to me," She looked at Sonic. Shadow looked at Sonic, and then Maria again.

"You can't be serious," Sonic tried hard not to laugh.

"I am serious," informed Maria. Shadow looked at Sonic.

"Sorry," Sonic's jaw dropped. Maria smiled. Amy hit Sonic.

"OW! Fine, it's okay,"

"Who are the kids now?" asked Silver. Amy and Maria high fived him. Sonic looked at Shadow. Shadow looked back.

"The things we do for girls,"

"Tell me about it," replied Sonic. Maria looked back at Shadow.

"Aw, come on, cheer up!" Shadow looked at her. Maria walked up to him and kissed his cheek.

"Now will you?" Shadow nodded, blushing.

"Pathetic," said Sonic. Amy hit him.

"OW! QUIT HITTING ME! IF I DIDN'T KNOW BETTER, I'D SAY YOU LOVE SHADOW!" exclaimed Sonic. He got a slap across the face from that. Amy stormed out of the house. Sonic rubbed his cheek.

"Amy, wait!" He ran after her. He caught up with her. She was sitting down. Sonic sat by her.

"Amy, I'm really really sorry," Amy laughed.

"Wow, I AM a good actress," Sonic smirked.

"What do you think I was doing?"

"Saying sorry because you don't want to lose me," answered Amy. Sonic blushed and rubbed the back of his neck. Amy pushed him down gently in the grass and got on top of him. Sonic blushed even more.

"Relax, Sonic," said Amy. She laid her head on his chest. Sonic placed his hand on her back. After five minutes, he fell asleep. Amy giggled. He was purring. Amy licked his neck to get him up. Sonic opened his eyes.

"What was that for? I was sleeping!" Amy giggled again.

"And purring," Sonic blushed really red.

"Oh," Amy got up, and she helped Sonic up.

"I don't care if you purr, Sonic,"

"Yeah, but I think I'm a mix between a dog, cat, and hedgehog," replied Sonic.

"A catdoghog," Amy joked. Sonic laughed.

"Yeah,"

"I better go home," informed Amy. Sonic grabbed her hand.

"Why?" Amy smiled.

"To make it most believable that I'm mad at you," Sonic's ears folded down.

"I don't like acting like it," Amy kissed him gently for five seconds.

"I don't either," She hugged him, and then walked home. Sonic sighed and walked back home.
