1 - heh, random

Words can't describe,
How I feel towards you,
I want 2 B by your side,
And go through it all with you,
You know me well,
As if you can read my mind,
I need our connection,
Even if I have to leave all else behind,

Your my one and only,
I've never felt this way before,
You've brought me to the point,
Where I will always need more, fall deeper and deeper,
Into our internal bliss,
Don't let me go, Keep me to your near,
Because I'm scared of life without you,
And I couldn't live that poisonous fear,
So we'll walk through this life,
Holding hands,
Fingers laced,
Getting through it together,
In love,
Keeping a promise;
To care, protect, and love each other beyond the end of time to eternity.
