1 - Lovebound

Love bound (Part 2)

Tails: Tulip! Oh no! She sniffed the poisonous rose. What should I do? I should've been there to stop her. Come on Tails! Snap out of it! I have to find a cure. But what?

Hmm... I got it! Big bro always says the best cure for poisons were the Blue Mountain Berries that are found on Ice Caps Mountains. I have to get those berries, but I can't leave her here. Hmm... Then I have no choice. I'll have to carry her.

Tulip sniffed the poisonous rose and now Tails tries to save her by venturing out into Ice Cap's Cold and wintry blizzards! Tails is traveling in within Ice Cap, cold and hungry. To his surprise he spots a cabin far out in the blizzard.

Tails: Wow! A Cabin! Who's ever it is, I bet they have food and maybe a warm cozy bed!

Tails goes inside the cabin

Tails: I was right! FOOD! Looks like someone was going to have breakfast. This might not be the right thing to do but I'm starving!

Tails: Here Tulip eat some. It'll keep your energy up.

Tails and Tulip begin to eat the breakfast food.

Tails: Yumm! That was delicious! Well Tulip I think we ought to get out of here. Who knows when the owner will return.

Tulip: Tails.

Tails: Is something wrong Tulip? You're not getting worse are you?

Tulip: Sorry.

Tails: Huh?

Tulip: Sorry.... About ...the flower....

Tails: It's okay. You didn't know. It was just a big mis----(gasp!)

All of a sudden, someone starts to turn the doorknob.

Tails: Uh-oh! Let's hide behind those boxes!

The shady character steps inside the cabin

???: My breakfast! Who ate my breakfast! Come on out! I know someone's in here! Just come out and surrender quietly!..... Not talking , eh? I got some **radical** moves that'll tear this cabin down in one strike!

Tulip: Ah...ah... ahh...

Tails nods telling Tulip not to sneeze

Tulip: AHH-CHOOOO!

Tail:(Gasp!)

Love bound (Part 2)

The angry cabin owner jumps to where Tails and Tulip are.

???: A fox and a hedgehog... you two ate my breakfast!

Tails: Uh...um... we're sorry. We were just hungry and cold and we saw your cabin and----

???: Enough talk! Just why are kids like you out all the way here in Ice Cap? It's dangerous ya know!

Tails: I have no choice! My friend Tulip is sick. I need to get the Blue Mountain Berries here in Ice Cap. You would happen to have seen any, would you?

???: Yeah. I have.

Tails: Could you tell us where!

???: Well... there are some near here, but you'll have to climb to the highest peak of Ice Cap Mountain. It's far from here. I don't think a kid like you could manage out there in that intense cold. It's got to be below 0 degrees out there!

Tails: I don't like the idea either, but it's the only choice I got. Tulip needs those berries.

???: The name's Radical, kid. Radical the Wolf. What's yours?

Tails: My names Miles Prower, but you can call me Tails.

Radical: Well Tails, if you're going to go out there, I won't stop ya. But all I'm say'n is that I won't be easy. You and that little hedgehog could get killed.

Tails: Don't worry. My hometown is in the cold. I'll manage.

Radical: Yeah but I don't think that hedgehog will. Seems like a job for a wolf, not a fox. Here take this it'll keep ya warm.

Radical gives Tulip a blanket

Tulip: Thank you.

Tails and Tulip walk out of Radical's Cabin into the cold.

Tails: Thanks for everything!

Radical: Yeah yeah! Go on. Get outta here ya breakfast munchers. And try to be careful!

Tails: We will!

Tails and Tulip start traveling and venture closer and closer to Ice Cap Mountain.

Within a days worth of time, they finally approach their destination.

Tails: Whoa! Ice Cap Mountain. It's a lot bigger than I pictured. I hope Radical's right.

Tulip: *Cough! *Cough!

Tails: Oh no! The poison's getting worse! I've got no time to loose!

Tails tries flying up the mountains thinking it would be easier for at least 4 hours. Freezing cold, Tails tires out and starts to climb. He's now almost halfway up the mountain.

*Tails: How long is this mountain! (*Breathing heavily) I don't even think I'm halfway there! My tails are to numb to fly now! No matter what...I have to keep going.*

All of a sudden, the mountain starts to rumble!

Tails: Aaahh! What's that!?

Little does Tails know, the evil scientist, Kiro the Hedgehog's base is near the top of his destination.

Meanwhile at Kiro's base...

Kiro: Ah! Jiro you idiot! Go practice you psychic powers elsewhere! JUST NOT IN THE BASE!

Jiro: Fine.

[Jiro exits the base]

Kiro: Now it'll take me forever to get the fusion chamber back online!

*Jiro: *Sigh. It's kinda dull around here. I need something to entertain me in this desert Iceland. But who would come their way out here?*

Tails: Where almost there Tulip. Just hang in there.

Jiro looks down the mountain...

Jiro: Ah. The fox boy. Sonic the Hedgehog's pal. This could be fun.

Jiro uses his psychic powers to fly towards Tails direction.

Jiro: Just what are you doing on our mountain fox!

Tails: Someone owns the mountain? Uh... you wouldn't mind helping us up, would ya?

Jiro: The nerve of some people! We seem to get a lot of trespassers. Oh well... Say good-bye fox boy!

He uses his mind powers and launches a psychic wave that knocks Tails and Tulip off of their grip on the ledge.

Tails and Tulip: Aaahhhhaahaaa!!!

Jiro: Have a nice fall!!! Ha ha ha ha haa!
