Videl s Houseguest

Disclaimer: I do NOT own DragonBall Z. If I did I why would I write a Fanfic?

Chapter 1: Prologue

It could not happen.

It was just impossible.

But mom- NO BUTS, GOHAN! said Chichi in a firm tone. The teenage sayian-human hybrid just sat down in despair. Now your father, Goten and I are gonna stay at Capsule Corp, but unfortunately Bulma doesn t have enough beds.

Gohan was not in a good situation. He just pondered about what the hell was going on. Why would his house have to be renovated for Bubonic Plague? (A/N: Also known as the Black Death.)

Then where the heck am I supposed to go? Gohan whined. Sorry sweetie, but maybe you could stay at a friend s house for the next couple days? proposed Chichi.

Gohan swore he felt his heart skip a beat. He only had one friend in mind, his best and closest friend&

Sorry this chapter was so short. I promise Chapter 2 will be better.

Chapter 2

Videl Earns a Secret

At Orange Star High School, as Videl Satin was putting her stuff in her locker, a certain blonde Ladies-Man closed it.

Sharpner, for the last time, I m not going out with you! said Videl in an angry tone with her arms crossed. C mon, babe, you know you want it& Said Sharpner while bouncing both eyebrows up and down.

Videl was getting a little PO ed. Their was no way she was gonna go out with this horny retard. Without replying she just punched a random locker, the door opened and hit Sharpner clear in the nose. Videl then just walked away.

Being the daughter of Hercule Satin, the so called Strongest man in the world who defeated Cell had its advantages. She knew that Gohan was the one who really killed the evil android, but couldn t get her father to confess.

She was headed to her first hour class when she saw her best friend in the hallway. Hey, Gohan! she yelled across the hall.

Hey, Videl! said Gohan as he ran to his friend. They just sorta started talking on the way to class. He then realized that he had to pop the question&

His mother told him that he had the whole school day, All 7 hours, to ask a friend to see if he could stay at their place for a few days. But when your best friend is the opposite gender, whose family is loaded, and her father is as overprotective as a brick wall, it wouldn t be easy.

Videl, I kinda need your help. said Gohan.

Sure thing. asked Videl in curiosity.

Well, my house is being renovated for Bubonic Plague. Said Gohan.

Videl suddenly gave Gohan a look of shock. Whoa! said Videl. I know. It's bogus because it doesn't even exist anymore. Explained Gohan while rolling his eyes. My parents and Goten are gonna sleep at Capsule Corp, but unfortunately they don't have enough beds.

So what are ya gonna do? asked Videl.

My mom told me that I could sleep at a friend's house, but Gohan said.

Videl's eyes popped wide open. She knew that she was Gohan's only friend. So you asking if you could stay at my place? assumed Videl.

Gohan gulped. Ehh& Yea&. Said Gohan sweating.

Hmmmm&& Videl starting thinking.

Her father sure as hell wouldn't approve. But she could easily sneak Gohan in. But who ever thought that her room would become co-ed? Raging hormones could become a problem. But she just shrugged it off.

It won't be easy, but I think I could do it! said Videl with a smile. Gohan just smiled back.

Thanks, Videl! said Gohan in a cheery tone.

Ok, just meet me behind the building after school today. And I'll sneak you in. said Videl.

Got it! Said Gohan.

And with that, they got to their classroom, and sat down. They both couldn't help but be excited for the days ahead.

Well, that's it for Chapter 2. Chapter 3 coming soon. Please review!
