1 - What's Guilty Gear: Unleashed?!

Guilty Gear: Unleashed!, basically, is a mixture of The Real World and Guilty Gear. The novel has 13 characters: Sol Badguy, Ky Kiske, Dizzy, Chipp Zanuff, Axl Low, Testament, Bridget, Jam Kuradoberi, May, Johnny, Slayer, Potemkin, and Baiken. The group moves into Slayer's huge mansion which is in Gear City, South Island. The thirteen also work at Slayer's department store, Slayermart, to get money to pay for things. The mansion has 2 butlers, which happens to be Robo-Ky 1 and 2.

PLEASE NOTE:

Many times in this novel, it will switch to the mansion's archive room where a character is seated and tells us what they were thinking. There are character pages also, chapters 2-16 so go see 'em!
