## 1 - Scroll 1: Attempt the first,

Shadow smiled before she left it was dawn. Zaku was asleep he hit his head. "...A note?" He read it. "Dear Zaku, I'll not be coming home alive if I do... I don't want you to get hurt I am sorry it's over..." Zaku put the note down. "Okay then... I understand. Shadow walked onward. "Henhen..." She saw the gate of leave's. "They always close it!" She walked over and felt the gate. A nin walked up behind her. "Excuse me miss..." Shadow turned around. "Hi... Lee! You grew up!" Lee laughed. "What I was supposed to be thirteen forever?" Shadow put her head down. "Can you help me get in?" Lee looked up. "Sure!" He walked up to Shadow. "HEY LET US IN UP THERE!" The gate opened. "Thank you...." "You got anywhere to stay?" "No..." "Stay with me I got enough room!" Shadow nodded. "Okay then..." Shadow tried her first attempt at killing the Hokage... It didn't work. "I'll try again..." She walked down the street. "These guys have been following me..." She looked back. She sprinted then tripped, "Oh man..." The nin's got closer. "OH NO..." "Sombdody picked her up. They put her over there shoulder. "GET BACK TO YOUR MASTER YOU STUPID DOG'S!" Shadow looked down. She saw green clothes and a red belt. "Lee..." She heard the nin's run away. "Your safe don't worry...." She felt his hand on her back.

She sighed. "Oh thank you..." Lee put her down. "your welcome!" Shadow looked down. "Listen don't look for me I'll be out pretty late..." Lee smiled. "As long as you don't get hurt that's fine with me!" He turned around. Shadow smiled as he walked away. "Okay... Attempt two... wait till he sleep's...."

Shadow was on the roof of the Hokage's roof, "Forgive me dad your clothes aren't suitable for this part of my mission. She waited. She put her ear to the roof. "There... He's walking to bed..." She blinked. "Oh no!" She rubbed her eye's "Darn it!" She got something in her eye's. She wiped it out. She crawled down the roof. She felt a thud and she got down lower. "Dad's training payed off...." She dropped down, "Clear..." She ran inside. She hid. "Sharigan...." Her Sharigan's sensed nobody coming. "This place is empty..." She walked down the hall's. "Weird... Ochimaru has guards everywhere and I was always escorted to see him..." She stopped. "Woah...." She look at a wall. "Sweet painting..." She turned to the left. "This is the public part obviously..." She crossed her arms. "Okay Mr Hokage... Your dyin tonight..." Shadow thought. "As long as he doesn't touch me cause he dreamin of me... Then I'll cut off his hand's..." She snickered. "I belong to no man... Not anymore...." She crept into the Hokage's room. "He was asleep." "Okay..." Shadow crouched down. "I'll get him...." She got up. Pulled out a kunai and was about to end his life....

She moved her hand. "What in the...." Sand covered her hand. "Garra...Are you here to finish the job....?" The sand tightened around her wrist. "What are you waiting for?" It crossed over to her other hand, "Well?" It went under the mask she was wearing. It flipped it off. "What do you want with me...?" it slowly went around Shadow's neck, It didn't hurt but was kind of comfortable. "Garra...Don't comfort me...." Shadow turned her head, Then the sand brushed her cheek. "That feel's...." The sand wasn't constructing but was trying not to hurt her. "That feel's nice...." She fell asleep. A real hand touched her cheek. "It will all be okay..." It was Garra. "You'll be fine...."

"Well well!" She stuck them down her sweater. She checked in a bag. There was a folder labled. "SHADOW" She opened it. It had her Anbu kill record's her family line.... She looked at it. "Shadow Kinata..." She moved up her father's line. "wow these were some of the best killer's and i have there blood!" She turned to another paper. It had photo's. One was Shadow sitting on a step. Another with her father. She sighed. "he has alot about me in these file's...." She stopped. "What in the world?" She found a bunch of burnt word's, She tried to figure them out. "Shadow Kinata is MIA missing in action... She is presumed Dead," Underneath Dead written in pen was Sound Village. Shadow wondered why. She wasent dead! Shadow thought. "My birthcertificate... My registration... Was it lost?" Shadow picked up a scroll next to the file. She stuffed it in her bag. She flipped though and found a charm a gold chinese insigna. She put it in her bag. "UH OH!"
