1 - Venusmon Warrior of Space

Chapter one: Venusmon the Warrior of Space

Kaiko's POV

"COME ON!!", a boy yelled on train that I was on.

I turned away from my cell phone to see a boy that was around 14, my age. He had brown hair covered by a brownish tan hat and wore a dark brown shirt covered by a red jacket and he had goggles on his hat and khaki colored shorts. He was mad at something or someone. But before I could go and ask, the train stopped and the boy ran out and I followed. I saw him run into a Elevator and I took the one next to his.

I then sank to the floor wheezing. I then my head too see myself in the steel of the elevator. I saw my short brown hair with blonde tips cover lightly over my face, my emerald eyes reflect my exhaustion, I wore black sweat pants and red sweat shirt that covered my curves also my black sneakers were lazily tossed on the steel floor with my feet in them. I was really tired out from the sprint into the elevator.

Then I felt something move in my back pocket. I put my hands in both then my left hand pulled out my cell phone and Then my Cell phone then transformed into a strange looking device that was black and red (like Takuya's but reversed) and in the screen part of it was a like a figurine that was red and black and just had a cool helmet.

I felt the Elevator stop then I felt my self being drawn to one of the weird looking trains. It had a evil appearance to it but I didn't judge by appearance. I then walked out of the elevator and then walked to the train. I then walked inside then I felt the train start to move then I stood there with out moving an inch. I could feel that I was going to have a great time once this train stops.

Then my once Cell phone flew out of my hands then a woman's voice said,"It's time for the 11th warrior to be released...."

Then I felt my clothes fade away as I yelled," SPRIT..... EVOLVOTION!!"

I felt warm armor wrap around my body and then after the transformation I shouted," VENUSMON...."

I then turned to see myself in then window's reflection, I saw I had longer hair that reach my ankles, my Eyes were covered with a visor that could let me see but other people could see my eyes. Also I had the same kind of armor of that a Knight would wear but it was black and red and I had a like a scarf on that was really long and had cuts on the end.

I knew now what to do. To protect people with my abilities that was now given to me.

2 - Meeting the Warriors of the Elements

Chapter two: Meeting with Warriors of the Elements

Kaiko' POV

I felt the train stop then I walked out with my confidence raising and I found myself in totally new world then from the world I know and love. I saw that I was in the middle of some sort of desert that was hot and really sunny for it looked around noon. But the peacefulness was shattered by a fire blast soaring through the air. I easily avoided it by doing a one-handed cartwheel and then I back flipped twice and landed perfectly.

I saw 6 figures fighting I couldn't tell who they were cause of the sand and dirt being shot up from the blast. Then someone, a girl's voice shouted, " HURRICANE WAVE!!"

The dirt and sand was then blown away. I saw 5, 4 boys and 1 girl, monsters and one but they all looked like humans. they were fighting a monster that was much bigger then them and it kept on shouting, " I AM WEREMON YOU CAN'T STOP ME!!"

I saw that these people needed help and then I heard in my head, " Help them Venusmon..." I listened to the voice I then placed my pointer and middle finger against my lips and kissed them then a chain formed from my finger tips and then I yelled, " VENUS LOVE-ME CHAIN TORNADO!!"

I beginning twirling around super fast and then moved to Weremon and the end of my chain became sharp and began to hit Weremon.

I then saw Weremon fall and a code-like circle appeared around him. I then boldly said, " Evil slave of Darkness please be Purified! Digi-Code... SCAN!!"

Weremon turned into a small egg with dark red spots on it. I felt myself change back to normal. I heard, " Your a Warrior Too!!" I turned to see the 5 other monsters change into kids around my age except for two of the boys that one looked older and the other looked very young.

One was the only girl in the group she had blonde hair and a violet skirt and vest covering a blue striped white shirt. One of the guys I saw before I came here, The Last one I saw had a long black hair put into a low ponytail and the top of his head was covered by a blue and dark brown striped bandanna. He wore a navy blue jacket with a yellow stripe on the outside of the sleeves, the jacket covered a yellow tee shirt. He wore navy pants that went to a few inches above his ankles. I had to admit he was pretty cute.

Then the boy that I met before said, " Well Hi I'm Takuya!" The Girl then said, " I'm Zoe nice to meet you!" "Kouji Minamoto..." the boy in blue said in a cold kinda way. Then the youngest boy said to me eagerly, " I'm Tommy!" The oldest boy said, " I'm J.P Hi there!" I then stared at them then shyly I said, " I'm Kaiko Tamaka..."

3 - Kaiko's voice of Caring

Chapter three: Kaiko's Voice of Caring

Kaiko's POV

I've been traveling with Takuya, Kouji and the others for while now, Tommy has looked up to me as like a big sister. J.P, Kouji, Takuya and Zoey don't usually notice me that much because I'm so quiet. Also I met Bokomon and Neemon, digimon that can help us understand something of the digital world. I'm starting to like Bokomon and Neemon because they're the only ones beside Tommy that talk to me.

We stopped and we stopped in a dark forest. It was so dark and scary that Tommy was really scared, he was shaking like a leaf and not moving from my side, also he kept clinging to my arm. I then shouted, "WAIT!! Tommy needs a second..."

All the others stopped and turned around to see me with a scared Tommy at my side. I tried to clam Tommy down but he didn't calm down at all. Then I thought of away to try to calm his nerves, then I remembered what my parents used to with me when was scared when I was younger.

I then opened my mouth then I began to sing softly and soothingly to Tommy, "*Nani mo iwazu ni sugu soba ni iru yo Donna toki mo Kanashii omoi wa sotto tsutaete yo Kiiteru kara Umaku iezu ni kimi o komarasete Shimau no nara Hitomi o tojite sotto yudanete yo Dakishimeru kara Sugite yuku kisetsu no naka de ima Kono mune ni tashika na mono wa hitotsu sa Anata o mamoru tame nara Nani hitotsu oshiku wa nai Donna itami de mo boku ga kawaru kara Zutto soba ni iru yo...*"

Tommy looked up at me with tears streaming down his cheeks I then continued as Tommy began to calm down bit by bit, "*Kimi no kimochi ni kizukezu ni ita to shootta toki wa Boku no chikara de dekiru koto subete Todoketai kara Itsu datte kimi to hohaba awase Kore kara mo kawaranai omoi ga aru kara Dakishimeta sono nukumori ga Itsu made mo kienai you ni Koboreta namida wa boku ga nuguu kara Zutto soba ni iru yo...*"

Tommy's head then fell softly on my lap as I sang, "*Anata o mamoru tame nara Nani hitotsu oshiku wa nai Donna itami de mo boku ga kawaru kara Zutto soba de hohoendete Dakishimeta sono nukumori ga Itsu made mo kienai you ni Koboreta namida wa boku ga nuguu kara Zutto soba ni iru yo...*"

I heard a lite beathing from beneath me, I looked down to see Tommy sleeping on my lap. I smiled softly and then I said, "Takuya could you carry Tommy until we get out this forest?"

Takuya then said, "Sure thing!"

Takuya then walked over to me and Tommy and then placed Tommy on his back. I then got up then I followed them down the path.

Then after a few minutes, like 45, Kouji came up to me and then asked, "Kaiko if you don't mind me

asking, How did you know that Tommy was going to sleep?"

I just smiled at him and said," Well when I was younger about his age and I was scared, my parents used to sing to me to calm me down."

4 - Kaiko's Dirty Secret

Chapter four: Kaiko's little Secret

Kaiko's POV

It's been sometime now and I'm still friends with Tommy, Bokomon and Neemon and still don't talk to anyone besides for Tommy, Bokomon and Neemon. Then I've began to take a liking to Kouji I've being think that I have a crush on him but I'm sure that he would never like me back. Then we reached a four-way fork in path. Takuya said," I think we should split up. I'll go with Zoey, J.P your with Tommy, Bokomon you and Neemon and Kouji your with Kaiko. We'll keep in contact with each other through our D-tectors."

I blushed really hard when Takuya paired me and Kouji together.

Everyone went down a certain path and Kouji said," lets go then..."

I said nervously," Y-yea!"

I saw that Kouji was close to the path entrance I ran to his side but I tripped over a root of near by. I expected to fall on the ground hard I closed my eyes tightly and braced for impact, but I never did. I opened my eyes slowly and I saw that Kouji caught me and my face was pressed against his chest. I blushed harder as I heard his heart beating, it was so rhythmic and soothing. I felt truly at peace but then Kouji said," you alright?"

I manged to say," Y-y-y-ya I'm fine!"

Then he let me stand up right and then he continued down the path and followed.

After a few minutes of walking, also it was very quiet, I saw something, it looked like a building of some kind and then said," Kouji look up ahead"

I began running to wards the large building.

Kouji's POV

We're walking down the path that Takuya choose for me and Kaiko when she suddenly said," Kouji Look Up Ahead!" she just ran ahead of me. Once she ran off I yelled," HEY!"

I then ran after her. I saw that she was slowing down, She stopped completely and she almost fell over but she kept herself up by putting her hands on her knees. When I got to her she was panting really heavily I asked," you ok?"

'She's worse then J.P when it comes to running...' ,I thought then she suddenly started coughing.

Then I saw that she was having an asthma attack. I said, " Hold on we'll find a place for you to rest!"

I then picked her up marriage style and then began running to find a place to rest. I found out what Kaiko saw earlier, it was a giant castle, like the kinda in the old fairy tale books you used to read when you were a kid.

I ran to the castle then I yelled, " Please someone Help!!"

A strange digimon appeared at the door and it was called Diamon, It looked like a warrior but had armor that looked like it had diamonds on them and his helmet covered his eyes(they were just yellow dots) and mouth. Then Diamon asked, " Why Are you Here?"

He seemed to be a little suspicious of Kels and me. I said, " I was walking around with my Friend but she's in serious pain right now Please help her!"

Diamon seemed to see that I was worried for he then said, " Come in there's many Nursemon here that can look at your friend!"

I smiled softly and then walked inside and then a female digimon that looked like a girl and had a nurse's uniform on but had pointed ears. She then said to me kindly, " Please let me see your friend..."

I placed Kels in her arms then many other girls like her came around then they all left with her. All I could do now is hope for her to recover.
