*Every person has a soul, when a person dies, that soul reincarnates into another body...
This is a universal law, and there are no exceptions... not even for the son of God...*

Chapter 1: Truth revealed

One night, J was walking down the street, it was raining and he felt something, it was something new, he had never felt anything like that. What is this strange feeling -he thought. Right after that, a black car stopped next to him. Two men came out of it, wearing black raincoats. Who are these men, what do they want -he kept thinking as the men came to him. They bowed and made the sign of the cross & Our savior.. We've finally come for you

What? he said, what are you talking about? Please get up don't do that. Oh my lord, look at you one of the men said, you're a man now.

Wait a second please; I don't know what you're talking about J said. In that moment, his life changed forever &.

You are Jesus Christ & -one of the men said. You have been born again to save this world, to fight Satan and his army and to show everyone the path to your father's kingdom.
