<b>Chapter 1 - Love Is Everything</b>	<b>2</b>
<b>Chapter 2 - A-Z Friendship</b>	<b>4</b>

# 1 - Love Is Everything

Lisa loved basketball  
Friends and parties too  
And when it came to painting  
That's all she wanted to do  
She painted everything she saw  
Birds, flowers, and the sky  
Some days she sat at her window  
And painted everything that passed her by  
But lately she'd been feeling woozy  
Her muscles ached a lot  
And her parents got kind of worried  
So they took her to the doc  
The doctor took a couple of tests  
To see if everything was okay  
Then the nurse came out with a look of sadness  
And this is what she had to say;  
"I'm sorry but you've got leukemia,"  
"You've got about 3 months more."  
Then Lisa got up and ran out of the room  
And slammed the office door  
She ran down the street screaming  
And cried her eyes out dry  
And stayed up all night  
Wondering what it's like to die  
Her parents held her tightly  
And said, "We love you,"  
"We'll make your last few months the greatest,"  
"We'll do anything for you."  
So Lisa and her parents moved to Florida  
To live by the sea  
Because Lisa loved the ocean  
And when she dies, that's where she wanted to be  
She spent her days painting  
And horseback riding in by the bay  
But one day she met this guy  
And his name was Jay  
They collected seashells together  
And talked about all kinds of things  
And then one day while walking  
He handed her a ring It said, "I love you,"  
Which brought tears to Lisa's eyes  
And when he put it on her finger

She began to cry  
He asked her what was wrong, and she replied,  
"I've got leukemia, and about a month more."  
He said, "No matter what, I love you,"  
"And no matter what, you are the one I adore."  
So they spent everyday together  
And swam in the Atlantic all day  
But Lisa was getting weaker  
And it was hard for her stay awake  
So one day Lisa painted her picture  
And gave it to Jay She said,  
"I want you to remember me,"  
"Even when I leave this place."  
But one day while they were walking  
And searching for seashells in the sand  
Lisa collapsed and started to lose her breath  
And said to Jay, "Please hold my hand."  
"I love you more than anyone,"  
You are my only true love,"  
"But now my time is up,"  
"And I'll watch over you from above,"  
Then Lisa's body was lifeless  
As she lay in Jay's arms  
And he sat there all day  
And kept her safe from harm!

I hope this teaches you a lesson. To tell someone you love them whenever you can. Because maybe they'll be gone tomorrow. And you won't be there to hold their hand. Because love is everything to everybody. Without it, the world would be dead. So always tell someone you love them. A parent, a lover, a friend. Send this to everyone you know, it makes a big difference even though you don't think so... Everyone deserves an "I love you." Because there may be No one for that person to say it back to.
