Chapter 1 - Lonley Heart

1 - Lonley Heart

Sometimes I go into cupids spell,
even though I dont realize it,
but it can change my life forever,
it can make me think I'm stupid
and while I am in cupids spell,
it can make me feel like I'm in love,
then love gives a great big shove,
I cry my tears then you see,
what you really ment to me
I see the past, there is no future,
And I feel like I'm going to keep falling,
as the tears keep bawling,
I feel like I've known you in the past,
where are you? You're wearing a mask
This life kills all who stands up,
Makes the toughest male look like a pup,
And yet you manged to pass,
But when your back was turned,
it took you out with one final slash,
I worried and I cared,
I was soaked but i was there,
and what did you do?
You hurt me and my family
Now its time, to say goodbye...
I'll see you next time.....
