Chapter 1 - Sister

1 - Sister

I dont feel pain
Now what can u claim?
My flight leaves soon
The night with a moon
Ill miss u all
And the boys at the mall
But I still must go
Josh has a show
This night is cold
As i am told
Save your tears
Goodbye peers
Ill call home soon
On the night with no moon
Dont cry my sister
Say bye to Mr.Mister
It seems you are sad
The furthest from mad
And yet you survive
Your soul is alive
I get on the plane
You feel all the shame
I wave one last goodbye
Please, do not cry...(A gunshot is heard)
