**Chapter 1 - DeMoNs**

# 1 - DeMoNs

We are demons of many breeds,  
We dont have many needs,  
Attack with weapons or a spell,  
They usally work very well,  
Tough luck trying to be like us,  
Bet you're still afraid to cuss,  
But locked in out minds, we are screaming,  
While the rest on you are basicly schemeing,  
Am I being denied from our clan?  
Lucky Jade, theres only 1 man,  
Its my suicide, go away,  
Maybe this time ill TRY to stay,  
My god, what shall happen now?  
I dont wanna sleep with a cow!!  
The essence of my soul is broken,  
Maybe its time to start the pokein...,  
Demons can live a rough life too,  
And you thought it was only you?  
Hungry demons will eat Ramen,  
It is very, very common,  
They dont look so very mean,  
And all of us are very clean.
