1 - MY ONLY FEAR

MY ONLY FEAR

Every moment without you

Is an eternity of Hell

I'd fight the demons

And combat Satan

Without a flinch

But my only fear lies within your heart

Please don't say the words I oh so fear

In my mind I know no fear

But you hold my nightmare in your heart

Don't say your love has run dry

The fear of losing you is too much

The fear of a broken heart is so much more

I'd fight the demons

And combat Satan

Without a flinch

But my only fear lies within your heart

Please don't say the words I oh so fear

On my face I show no fear

But you hold my nightmare in your heart

Don't say your love is no more

The fear of losing love is too much

The fear of a shattered soul is so much more

I'd fight the demons

And combat Satan

Without a flinch

But my only fear lies within your heart

Please don't say the words I oh so fear

I'd fight the demons

And combat Satan

Without a flinch

But my only fear lies within your heart

Please don't say the words I oh so fear

Every moment without you

Is an eternity of Hell

I'd fight the demons

And combat Satan

Without a flinch

But my only fear lies within your heart

Please don't say the words I oh so fear

Don't say the words I oh so fear

My baby
