# 1 - NEVER ENDING STORY

## \*NEVER ENDING STORY\*

Why can't I hold on to love

Am I cursed to a life of sorrow

Love lead me on and she ran away

Just as she does every time

Love is the poison running through my veins

And don't know how much more I can take

It's an endless road of despair

A never ending heartbreak story

The story of my life

The Devil's book of love and death

Why can't love rescue my heart

Am I damned to a life of pain

Love held my heart and she let go

Just as she does every time

Love is the venom meant to stop my heart

And don't know how much more I can take

It's an endless road of despair

A never ending heartbreak story

The story of my life

The Devil's book of love and death

Why does this happen every time

I fall in love and my fears emerge

To rip the faith out from my soul

Love is a suicidal sadistic game

And I'm tired of losing

It's an endless road of despair

A never ending heartbreak story

The story of my life

The Devil's book of love and death

It's an endless road of despair

A never ending heartbreak story

The story of my life

The Devil's book of love and death

Why does this happen every time

I fall in love and my fears emerge

To rip the faith out from my soul

Love is a suicidal sadistic game

And I'm tired of losing
