## A NIGHTMARE SO SCARY TO SHARE

wow i had a scary dream and here it is:

I was at a hotel and i was room mates with clay and Raimondo. I also made up a lil'sister name Carolin she was in it. well Raimondo went to explore so me and clay stayed and flirted well then it got to night and clay stayed with

Carolin as i looked for rai. well this gang of bully's ran past me scared i asked them what was wrong then they just pointed to a garbage so i walk up to it and inside was rai dead shot in the stomach and in the forehead. so i

went back to the hotel sad and scared. then it got pitch black so i stuck my hand up against the

hotel building to find the door as i slid my hand up against the wall i touch a mans chest and he reached out like he was going

to grab me so i ran and ended up finding the door to the hotel. i ran all the way to our room the shadowed figure didn't follow. so when i walked into are room i found Carolin in a corner crying.

i went and picked her up and asked her what was wrong she pointed to the bathrooms bloody door. i set her on

the bed and ran in to the room thier on the floor was clay his body shreeded and bloody. on the mirrior the parts that weren't broken said whats next? then i woke up with Carolin crying

on my chest in her sleep and i was in the same hotel just with my family and their were to TVs one had a scary movie on and the other xiaolin showdown so i turned them both off and woke up it was the scaryest dream i had ever had the worst partis that it was a double dream.
