Ya i dunno how to explain what i write so you have to read it ans tell me what you get.

1 - Help!

I'm just a girl,
Stuck in the middle of a war,
Don't try to save me,
I'm stubborn to the core,

Blood everywhere,
Smiles all gone,
Screams are heard,
I'm being moved like a pawn,

I'm just a girl,
Stuck in the middle of a war,
Don't try to save me,
I'm stubborn to the core,

War crys,
I pray inside,
The ememys turn,
To run and hide,

I'm just a girl,
Stuck in the middle of a war,
Don't try to save me,
I'm stubborn to the core,

Will this ever end?,
Open your eyes and see,
This isn't right,
When will we all be set free,

I'm just a girl,
stuck in the middle of a war,
Don't try to save me,
I'm stubborn to the core,

I told you no,
You just had to try,
Listen hard,
Cause now you're gunna die,

I'm just a girl,
Stuck in the middle of a war,

Don't try to help,
I'm stubborn to the core

Ok, so ummm .... please tell me what you think. I really would appreciate feedback.
