Chapter 2 - Finding Starfire **4**

1 - The mysterious shadow

Chapter 1

One stormy day Dark Death decided to go out for a run. While he was running he saw a shadow that had wings but before he could go and see who it was the shadow ran away.

Dark Death: Strange! I don't know who that was but I think Starfire might know. Who knows it could be one of her sisters because it did have wings.

So Dark Death went to Starfire's house (hotel to be exact) and knocked on the door.

A minute later Starfire opened the door.

Starfire: What are you doing here it's 1 o'clock I thought you had your nap at that time and anyway it is very stormy outside. By the way ya wanna come inside?

Dark Death: I came to ask you something, oh and yeah I do wanna come inside if it's fine with you.

Starfire: It's fine you can come inside and when you do you can ask me what you wanted to ask me.

So Dark Death went inside and sat down. When he sat down Starfire asked him if he wanted a drink or anything and he said no thanks. So

when they sat down Dark Death told Starfire about the shadow he saw

and he asked Starfire if it could be one of her sisters and Starfire said that everyone of her sisters that she knew were up in heaven. But then Starfire remembered what her mum said.

She said:

There are some sisters of yours you don't know about because they're so sneaky nearly no one knows

about them, but I can't tell you who they are, you have find out for yourself &

So she told Dark death about that and he was fine with it , but just as he was leaving he saw Starfire at the window and a moment later he heard her scream and then she wasn't there no more &

If you wanna know what happened wait till I write Chapter 2.

Bye bye.

2 - Finding Starfire

Sonic Extreme.

Chapter 2:

Dark Death: Starfire, where did you go?

Starfire?

Weird she was there a minute ago I better go and see if Rouge knows anybody who hates Starfire and will take her just like that, after all Rouge is Starfire's sister and friend.

So Dark Death went to Rouge's house and knocked on her door.

Straight away Rouge answered the door.

Rouge: [amazed] what the hell are you doing here?

Dark Death: I was wondering if you know if Starfire has any enemies who will take her away while she's standing at the window.

Rouge: Why the hell do you need to know that you freak?

Dark Death: Well, because someone took Starfire while she was at the window.

Rouge: Whatever, just come inside and I'll tell you who Starfire's enemies are.

So Dark Death went inside and Rouge told him that Shadow was the only one that Starfire hated most so that's what made him her enemy.

Dark Death: Thanks Rouge. So I'll go and look for Starfire now. Bye bye.

Rouge: [mumbling] whatever you freak.

So Dark Death went to Shadow's dungeon and found Starfire in the first cell.

Dark Death: So looks like you're the only prisoner that Shadow has then.

Starfire: Whatever! Now can you free me please because Shadow is planning to take my powers and make me very weak?

Dark Death: Ok now all I need to do is to find the key and

But before Dark Death could finish he heard a voice interrupting him saying:

Starfire isn't going anywhere and neither are you&

Sorry but it ends but not to worry I m going to write chapter 3 next week , I promise.
