This is a very cool poem, if I do say so myself. Comments, flames, and constructive criticism are always welcomed! Those flames of yours will be used to set random objects on fire, and thrown back at your face. Have a wonderfully horrible day.

Chapter 1 - Halloween

2

1 - Halloween

The creepers are creeping

And the willows are weeping

All in honour

Of this special night

The werewolves are howling

And the vampires are prowling

On the hunt

During this special night

The corpses are moaning

And the ghosties are groaning

All in pain

On this horrific night

The witch's evil cackles

And the wizard's magic crackles

All this evil

On this horrific night

And the children weep with fright

But laugh with sweet delight

On this frightful, candy-laden Halloween night
