*I made the words! It sort of goes along with the game in some sort of creepy way and I can't believe there is no other ToP stuff on this site. I made the words ORIGINALLY from my own crazy head...NO takey takey from me!*

# 1 - Tales of Phantasia Song

when im alone in a dreamworld  
everything seems to be lonely  
but deep inside my heart you're there  
reaching out for me  
everywhere i look its you  
surrounding me  
with your godly glow, i know its you  
theres no way we can split in two  
one day we'll find  
out the way  
to escape  
from it all...

deep inside your dreams  
i'm here waiting  
from a long journey  
destiny awaits  
longing for you  
deep inside my dreams  
you are there... too  
i can't wait til then  
so lets hurry up and  
kiss kiss kiss

so close yet... so far  
i want to be with you, badly  
yet i know that you're there  
wanting me  
soon we'll be together at last  
remeneing like old friends  
one day it will all fall into place

deep inside your dreams  
i'm here waiting  
from a long journey  
destiny awaits  
longing for you  
deep inside my dreams  
you are there... too  
i can't wait til then  
so lets hurry up and  
kiss kiss kiss

i guess i'm glad we're in this together  
the dream will never die  
and you're here again, giving me hope  
and i wanted to let you know  
i'm watching you  
i just hope  
secretly  
you're watching me, too  
soon the day will be here  
closer and closer it comes  
i just want to let you know--

deep inside your dreams  
i'm here waiting  
from a long journey  
destiny awaits  
longing for you  
deep inside my dreams  
you are there... too  
i can't wait til then  
so lets hurry up and  
kiss kiss kiss

Ok the time is now!
