5 - Superhero Identities & Author Notes

Superhero Identities & Author Notes

I know if they were born in 1990, they'd probably be 15 instead of 14. Well, erm, get over it!

Here's something I left out, their superhero identities:

Kumiko=Aqui

Ana=Pyra

Leo=Nork

Drake=Crisp

Yeah. There are still more profiles to come. Someday I'll make a story of the Teen Elements. Oo
