**Chapter 1 - Angel**

**2**

# 1 - Angel

hello my double-sided angel,  
who yearns you the razors release.  
it makes me cry to see the blade is the only to give you relief.  
i wish i could be your savior,  
i wish i could show you how much u bleed,  
but my word is null,  
and your blade is dull,  
and my word you will not heed.  
so you will forever be,  
my double-sided angel
