**Chapter 1 - Untitled**

**2**

# 1 - Untitled

I need to get away

everything is the same

everyone wants this fame

the fame of knowing it all

but when it comes down to it,i know it all

i stand tall

but then i fall

fall down to my knees

hearing the crack of the world evolve around me

what goes up has to come down

my smile to a frown

i need to get away

i need to get away

IM GONE!
