Apparently it had been raining at mobuis for a long time. As Sonic walked out the door sniffing the cold breeze flowing in the air, someone called to him.

Sonic: You were scared a bit? Fine come on lets go...

As they ran to the crash site, they heard a screech from nearby. As they ran to the spot of the noise they found a little girl crying on the floor. Tears bawling out of her eyes, she sat there on her knees.

Sonic: Hey un... you alright?
