## Back to the past we go!

### Shaman King 2

#### Chapter 1

#### Episode one

#### ~~ Intro ~~

In the year 2047 we find our heroes in an epic battle where their rival Atlas and Adina await for the door to open. From that door a great demon known as Tynan will arise from its sleep and destroy and recreate our world known as planet earth. But our heroes will not stand for their evil doings. There is a new generation of shaman and now let the story begin. . . .

#### ~~ Story~~

“The door is finally opening! There is absolutely nothing you can do to stop it! Yelled atlas as he insanely laughed. We will see about that! CAIRO! GIANT SPIRIT CONTROL! Ichiro yelled sending his spirit into a pharaoh blade staff. A huge smoke came out of no where and a giant dead mummy came out running trying to re close the door. You fool! Once the door of darkness opens it never closes! Don't care at least I can stop him or whatever this things coming out from reaching here! Screamed Ichiro. Takeshi jumped to the ground from the ceiling and swung his demon sword at atlas. Atlas swung his sword at Takeshi's sword and started fighting. Tell Takeshi do you know why the door to darkness is finally opening? Do you? Atlas said with a smirk on his face. I don't care what's coming out of that door, all I know is that it has something to do with you ruling this world and I will not stand that. Takeshi sends a dark force on atlas and sent him to the wall. Atlas coughed out blood and wiped his mouth. Besides that reason the reason its opening because it sensed you and kyoko. You both don't realize this but you two are the key to freeing it.. As he chuckled. After all...you are...but before he could say the rest Kiki blasted atlas with her turtle rifle. “TAKESHI! WE NEED TO HURRY COME OVER HERE! I HAVE AN IDEA OF HOW TO STOP THIS FROM HAPPENING”! Yelled Kiki. Takeshi jumped up where Kiki was and asked the question “WHAT?! TELL”! She told Takeshi that they need to use all the orbs to warp back time and re do this before it could happen in the future said Kiki. We need to go back in time?! Said Takeshi. Kiki nodded and told Takeshi and kyoko to put their swords pointing at the orbs and chant these words “THE POWER OF THE ORBS GIVE US POWER AND THE ABILITY OF TIME ITSELF, TAKE US BACK TO RE-DO WHAT HAS HAPPENED!!!” once they finished a huge bright light flashed out of no where from the orbs and everyone from that place was sucked into a vortex going back in time to the year 2006. But what we didn't know was even in that vortex Atlas was still doing his evil deeds he was draining the memories of the heroes. The only ones that didn't take effect where Ichiro and Takeshi.

Everyone else's memories were re-did by atlas making them think that takeshi and the other good guys were the enemy now.. Because of that they are all scrambled falling into different directions in the city Tokyo Japan. As our heroes Ichiro and Takeshi fall into the lake they head for the shore coughing up left water that they accidentally swallowed. But when they look up they notice that the orbs must have taken effect. But where was everyone else? They looked at the peaceful sky and went off into the woods to grab fire wood and camp out for the night

Shaman King 2

Chapter 2

Episode 2

When the morning came Ichiro and Takeshi both woke with tired eyes still worn out from the other day. They walked to the river to eat some fish. "Takeshi, what will we do now? Where are we going to go, we don't even know what to do now." said Ichiro. "Don't worry Ichiro everything will be ok, all we have to do is look for the others and things will be back to normal, all that happen was we were all separate in the vortex were bound to find them sooner or later." said Takeshi. "I hope your right." replied Ichiro. After they finished eating the fish they walked through the forest searching for the others. Many hours have passed, they went and sat to take a brake. While they took a rest, something was coming on the other side of the forest. On that other side a whole appeared in the air and a body fell out from it.

As the body fell out of the vortex, her eyes opened to see where she was. "What kind of place is this?!" she said. When she got up from the ground her head started hurting, she closed her eyes, but when she did she was seeing visions of a guy formally known as Atlas. He was telling her to kill Takeshi and Ichiro. She didn't know why but she felt like she had to obey. When she opened her eyes, her eyes were glowing red like a demon, markings appeared on her cheeks, after that she ran through the forest looking for them. While on the other side, Ichiro and Takeshi were cleaning off the dirt that was set to their clothes, as they did Takeshi froze in a weird gaze and looked at his right hand side looking at the darker part of the forest. Ichiro looked at Takeshi, "What's wrong Takeshi?" he asked. "Someone is coming, I cant really say but it has a demonic aura, it smells familiar though." "You better stay here ill go check it out" said Takeshi. He grabbed his sword and ran off to the scent.

When Takeshi reached where the Demonic aura was he stood with his sword in his hand. "Where are

you demon?! Show yourself!" yelled Takeshi. All there was, was complete silence in the air. Takeshi turned around and was about to walk back where Ichiro was, but on top of a tree something came out from hiding and swished her sword at Takeshi, Takeshi turned around and slashed his sword back, both of the swords clashing with one another. Kyoko jumped up and just glared at him. "So. . .we finally meet." Kyoko said. Takeshi looked at Kyoko and his eyes widened. "Wait a minute! Kyoko?! WAIT WE DON'T HAVE TO FIGHT! DON'T YOU REMEMBER ME?! IM NOT THE ENEMY!!!" he yelled. Kyoko looked at him and just grinned. "I don't know what you're talking about, all I know is that you're the enemy.." she said. Kyoko, She jumped into the air and shoots out a red aura and swings from her sword. Takeshi slashed back at it and dodged some of them. "There's gotta be something wrong with her." said Takeshi. As he looked into her demon eyes, he sensed that she was being controlled by someone. "So. . .Atlas is behind this isn't he. . ." well you can forget it, I will not lose to someone like you Kyoko, controlled or not were still seeing who is stronger..." he took his sword and threw it at Kyoko. She moved her face as the sword went flying to the tree that was behind her."gonna take a lot more than that to destroy me!" As she ran towards him with her claws ready to attack. Takeshi ran towards her as well with his hands glowing black.. As they ran towards each other, both knew that only one would win and the other one would be either dead or still remaining together. . . . .
