**MY FRIENDS IN REAL LIFE:**

Laney: Laney is my best friend in the whole world. I love her to peices. She's is honestly the other half of me, we consider ourselves the same person. We hang out all the time, and always are talking to each other. We are ALWAYS being asked if we are related, sisters,or twins by everyone. Even people we got to the same school with. xD She wants to dye her hair pink. She probably will too xD

Random Quote: "Yep. It's Mutual xD"

~~~

Heidi: Is the kind of person who can always make you smile, she loves anime and manga. She's sarcastic at times, but it's always the stupid kind of sarcasm that can make you laugh. She gets everyone to chase me and poke me, because she thinks I'm scarred of being poked, but she thinks it's funny. She amazes me c8.

I miss her at school -sob-

Random Quote: "-sits like L- Let's bake a cake c8"

~~~

Abby: Is always in a good mood. She is always very protective of her friends, She threatens anyone who comes near hurting any one of her friends, and takes it very seriously. She loves Cloud from final fantasy, and takes martial arts classes, and beats up 32 year old men.
