## 1 - one

Hello all guess what? I'm on my third story can you believe it, YEPPPPPPYYYYY

Well I hope you like it because I'm enjoying myself writing stories even if I'm not good at spelling and writing and maybe grammar as well. Hey at less I'm trying hard so don't moan at me thank you

I give you a quick summery on it

Yami and Tea had moved into Grandpa's shop/house, by the way there not married just moved in together, due to Tea's and Yami's little action 9 months ago. The whole gang noise about it and even Isis, Bakura and Marik. Tea left school when she was about 5 months, Yami left about the say time and now working at Karbia's which happening to be working quiet well, For Yugi he is still going to school and when Yami goes to work Yugi takes over looking after Tea and their coming up new born baby, and the rest of the group well you could say their Joey and Tristan.

Well I guess I better get started

### Charter 1

It's been 9 months sins that trouble night of that strange party at Yami's humble home, up in Yami's room, Tea finally relished that it wasn't dream about making love to the man of her dreams but instead it was real as it could be. Finally the summer holidays had kicked in, the group had wanted to go on fishing tripe down to the river for along time, instead of watching T.V all day and play duel monsters. Joey offered to drive say as well Tristan.

In the house of Yami/Tea and Yugi's

“Hey Tea are you getting ready?” Yami inquired

Tea replied “yeah I'm just putting my hat on and sun block on, hey Yugi have you done the food?”

“Yeah, almost finished” Yugi's voice echoed through the main hall

Yami entered the bathroom after having some breakfast, some toast had jammed in between his front teeth grabbing his tooth brush and his tooth past, and started to brush his white shinning teeth, mean while back in Yami's and Tea's room, Tea felt a sharp pain wised through her body

Tea grasped her stomach “Mmm ah, ahha... It stopped it might be the baby kicking me?” letting go of her big front (***what could it be?***)

After the pain had left Tea went on to finish her picking, Tea walked down stairs holding her front as she walked, as well carrying her bag of goods

Mean while Yami had just finished clean his bright white lovely teeth and smile to himself in the mirror in front of him,

“Oh you look sexy, today Yami” kissing to himself in front of the mirror

After checking himself out he walked smugly down the stairs towards where Yugi and his beautiful lady Tea were waiting for him.

“Are you ready” Yugi asked

“Yes and where are Joey and the others?” Yami answered in a happy tone

“There com.....” as Tea traveled off when hearing a car hone

Bring! Bring! Bring!

“Specking of the devils” Tea answered

“Yeah, shell we get going” Yami required before giving Tea a kiss

“Yep let's” answered after reserving a kiss

The three picked up there stuff and headed out the door and placed their belongings in the boot of the car and seated them self's in the back seats behind the two already people seated in the front.

“Hey you guys what's up” Joey said happy

“The sky” Yugi smartly answered back

“Yep sure is, Tea how are you doing lately” Tristan asked Tea

“Fine thanks! Why?” Tea replied

“Isn't that thing due shortly?” Tristan pointing to the baby

“Yeah I don't know when” Tea smiled

“I do” Yami said while looking at Tea

“You do” Yugi inquired

“Yep” Yami answered with a smirk

“Alright when?” Tea asked confused

“One of these days” Yami said truthfully

“Hahahahahahhahahhahah good one” Joey laugh

“I know” Yami joined in with Joey

“Mmmmmmm not funny” Tristan trying to keep a straight face

“Hahahaha is it was, don't you think Tea” Yugi inquired

“Umm...yeah I guess so” Tea said not caring

“Alright then we better get going then” Joey pointed out

The light blue car speeded down the road, leaving the empty street behind them,

On the way to their camping grounds Tea had a pain going through her body again

“Hahahaha...shah”

“Tea are you alright?” Yami asked worried

“Yep sorry to worry, it's the baby” Tea said in a soft painful voice

“Oh what's happening?” Yami inquired

“I think it kicked me that's all” Tea said looking at Yami telling him she alright

“Oh that's good I thought that something was badly wrong then” Yami said still not believing her

“Its alright, I'm fine trust me” Tea pushed

“If you say so, but if...” still making sure she was alright

“If there was something wrong I would let you know” Tea stopped him in middle of the sentences

And gave him a deep kiss tell him that she was fine nothing to worry about

“Umm ok use two love birds but do use mine” Joey said try not to sound rough

“I don't think that they care” Yyugi looking at the two

“I guess not” Tristan look behind him

“Just as along as they don't start making out in my car” Joey said while looking in his mirror

“I don't think they would, because the room in here is a little bit small” Yugi stated

“Yeah true, like you” Joey laugh

“HEY DON”T YOU START WITH ME” Yugi shouted in deface

“Sorry hey look I can see the river” Joey shouts out with relief

“Yeah me too” Tristan answered

“Yeah me three, and use guy? Hey Tea, Yami can you see as well?” Yugi looked over towards the two

“I think there trying to umm you know with one and another” Joey stated

“Tell me about it look for your self” Tristan add

“Oh! Yeah, hey look his hand is going up under her skirt....” Joey turned around to watch

“And Tea putting her hand under Yami's top, oh god and I'm in the back with them, let me out of here”  
Yugi ran out of the car not looking back

Joey, Tristan and Yugi left the car and left the two `Yami and Tea' to carry on with their little making out scene in the car.

About half an hour had passed the table was up and ready for lunch, and finally the two that was left in the car had finally finished the love scene and hoped out of the car to the join the others to start to make some lunch,

“It's about time that you finish, I though that you might be trying to have another baby, by the looks of it”  
Joey mumbled out

“Umm maybe” Yami said with start in his eyes

“Yami” Tea pushed him

“What” Yami questioned her?

“Forget it” Tea said walking off leaving confused Yami behind

“Umm ok” Yami shrugged

As they finished having lunch all of the boys grabbed their fish poles and headed down towards the river bank, to fish

Back up at sure Tea didn't want to go down to the others she didn't feel like to fish today, but instead she was going to lay down on the nice grass that the camping sight had, before she could lay down

“Ooohhhh! Ahhhaahhaahahaha.. Shhhhhshhhhhshhh....” As Tea grasped her stomach from falling down on to the ground and with one hand sporting her body, before she fall completely on the ground

To be continue

How's the started of the story you like or not please tell me?

her head was spinning around and around her it looked like the world she spinning instead of her, Tea couldn't take the pains and her head thumping any more then she had no choice but close her eyes hopping to stop the pains, going though her acing body, even though Tea closed her ocean eyes the pains were still rushing throw her body.

Form down the river Tea's groaning and moaning could be heard by Yami, Joey, Tristan and even little Yugi with out thinking Yami threw his finish pole away and rushed to her side, trying to help her to stead up

“Tea! Tea! What's happing?” Yami Yell trying to find out what's the problem is with out hurting her in the meantime

“....I...thinks .....It's the ....baby....ahhhahhhahh” Tea manger to say in between berth

Yami got in first and Joey helped Tea in and Yami placed Tea's head on his chest in the back sit helping to support if she need it

The rest of the group stuffed all their belongings in the boot of the car Joey hopped in the back with Tea and Yami and Tristan sat in the front, after every one was in they speeded away leave the camping ground where they were going to camp for the week end, Joey raced down dirt track which it happed to be unsteady road, the drive (Joey) didn't really cared if the road was uneven, he just wanted to get to the hospital quit and fast before the baby comes

“Hahahaha” Tea screamed as the car swap to side to side

“Joey please takes it easy “Yugi shouted out while helping Tea to claim down

“I'm trying tooooo, it's the road and not me” Joey shouts back over the noise

“Hahahaha...oooo...ahah” Tea trying to breath and claim herself

“Oh man are we going to get there in time?” Tristan was getting really worried about what's happing in the back as he turned his head around and looked out the back sit,

“Yeah! Let's hope that her water doesn't break” Joey stated turning his head towards Tristan for a second, and turned his head back to the road ahead

“Hay guys” Yugi looking really worried about the sight of Tea

"It was" Joey shout back not giving eye contact

The car started slowly down and down and down until it came to a complete stop, in the middle of know where, with just trees bushes and dirt, that was all could been seen for kilometers, not even a house in sight, just old bush lands al around them

"Don't know" Joey bang his head on the stirring wheel

During all this talking was going on, and poor Tea was screaming her head off, and poor Yami might as well be deaf after this be born, he was screaming due Tea's grip on his legs to easy the pain going though her body

Yugi put his hands covering his little ears to try and block the sounds out that was going on, after a minuet Yugi pushed the car door open and jumped out, Joey and Tristan did the same and walked over to where Yugi stood under a tree, never by

"Now what "Tristan Question to anyone with an answer

"I don't know do I" Joey turn his back to the guys

"I think that we will have to deliver the baby here" Yugi pointed out to them both

Tristan's looked down for a flew seconds making sure that he had a good clearing

*(Don't you dare to think of it in that way, poor Tea she is in a lot of pain?)*

Tristan's head started to spin to side to side he couldn't take it any more the sight before him was to much for his liking, then out of the blue his eye bolls rolled backwards towards his back of his head, it was to late to safe Tristan from falling to the dusty ground, Yugi bent down after Tristan hit the ground, Yugi slowly shock his head, but didn't woke him or evened moved him

Yugi looked around for something sharp to cut the cord, and not finding anything. When he turned his head around, now looking outside towards his other friends and then a big grin came upon his face bending down to his friends shoe and pulling straight out a shoelace that belong to Joey

"I think this will do the trick" Yugi thought to himself

Yugi tied the shoelace around the cord very tightly and it broke with no problem, and then he needed something to wrap the little one up in, lucky there was a blanket on the floor of the vehicle, placing it around the little human and handing it to its mother

"Hello little one" Tea brushed her fingers along the little one's face

"It's a girl" Yugi told them wiping the tear from his cheeks

"I have a daughter" Yami had a tear slide down a cheek he lifted a finger and wiped it away

"We have a daughter" Tea cried out with joy

"Yes we do" Yami replied Tea with a soft kiss on the side of her face

"And I'm an uncle" Yugi clapped his hands in delight

"Yeah you are" Tea said with a quick flash of her eye at Yugi

"What should we call her?" Yami questioned

“What about Yanna” Tea inquired

“Mmm”

“That's sound perfect it has both of your names” Yugi pointed out looking and the little one in her mother arms resting

“Yes it sure does, she looks like a Yanna too” Yami smiled

“Yugi thank you very much” Tea thanked Yugi
