I just came back from school today.
I saw my house and had to say,
Oh my God! My house's on fire,
A bunch of firemen I could not hire.
I saw a man along the way,
His awesome pants just made me say,
Wow! What super spectacular, sexy pants,
The way I feel...feels like ants,
The very next day I saw his hair,
I have to admit it made me stare.
That same day I was walking to school,
Then saw these shoes now THOSE are cool.
As I walked he looked at me,
Too handsome to be real that I could see.
A big red monster lingered behind him,
Suddenly the skies darkened and went dim.
And all of a sudden his lips touched mine,
I think it might be some kind of sign,
I opened my eyes and looked into his,

And this is the story that `tis,

And always will have a happy ending.

Then I said, “Did you burn down my house?”

Then he laughed, “sorry...i saw a mouse.”
