A request... It is quite different from my usual style, but I have tried. I intent to make a different version at some point.

Chapter 1 - Little Sister

1 - Little Sister

Little Sister,
Of a sort.
Little Sister,
How likable.
She's rather nice and it shows,
Her sweetness nearly glows.
Perhaps a little dark,
She's sad a bit too often.
But she knows how to make a man soften.
Never would I think a sibling a joy,
But here she is,
My Little Sister.
Not too different, not too same.
Very kind and very tame.
And to feel how so relied on,
A Little Sister.
