Chapter 1

The Last Breath

A/N: This is a story about life and it's meaning.

Life has its own way of explaining itself and sometimes it falls out of place, but it isn't always bad, it can be good too. "Nania wake up" Nania's mom said. "What" Nania thought. Nania told her mom what happened in her dream. As she drank her Passion Drink she said "Mom what did you say?". She fell back asleep, but this time it was a deep sleep. Life can wonder to many places, but don't let it wonder too far or it will take its last breath.

A/N: This is just the first chapter, wait for the rest.
