# 1 - The song

I do **NOT** own lotr or the song 'Somewhere Over The Rainbow' Hee hee

P.S. I was drinking too much soda, so please don't get mad at me.

Somewhere over the rainbow, bluebirds fly  
There's a land that I've dreamed of, once in a lulabye  
Where happy little bluebirds sing  
Above a big, fat golden ring  
of **DOOM!!!**  
Where Golem calls it his precious  
And humans fry  
Then Bilbo makes some evil eyes  
As he tries to take Frodo's prize (My brother couldn't stop laughing here)  
Samwise Sam helps Frodo hide  
From the ringwraths come to whipe their hides  
Then Aragorn, Gimili, and Legolos go to die  
Somewhere over the rainbow  
Dragons rise  
Then Frodo and Sam go to mount Foomp (hee hee)  
To throw the ring into a firey pit of  
**DOOM!**  
Then Golem eats Frodo's finger,  
As he fries  
Happy that this retard song is over

**DA END**
