Ecstasy

It's amazing how you are here,
Holding me, and kissing my lips.
You rub your hand along my arm,
Caress my face on your fingertips.

When love forgotten my heart,
Hope casted my dreams aside.
When courage bewildered my soul,
You saw the fire that ignited inside.

Your smile is an unforgettable sight,
It fills me up with such felicity.
You found my soul lost and cold,
I'm caught into your ecstasy.

You lifted my feet off the ground,
Spread my fragile wings to soar.
You spoke with great affection,
Twas you who've I'd long for.

I'll hold on to you with all I have,
You're my antidote on life.
Hold me close on your chest,
We can dance through the night.

Your smile is an unforgettable sight,
It fills me up with such felicity.
You found my soul lost and cold,
I'm caught into your ecstasy.

Your smile is an unforgettable sight,
It fills me up with such felicity.
You found my soul lost and cold,
I'm caught into your ecstasy.
