## 1 - 2-19-04

It was a dark and stormy night and the power had gone out. Jeff was laying on his bed staring at the ceiling. He sat up suddenly when he saw a flash of lighting from outside his window. Jeff decided to go out side and watch the storm from his roof. He jumped out the window to avoid his parents and climbed up the side latter to the roof. Jeff sat down and watched the lighting hit the water. Truly a stunning site. And then Mark FLOW OUT OF NOWHERE and killed very one. The end. "But wait" wined Mark "I didn't get to say anything!" You just did, now be quite. It's over!
